Black Hills Works Tenant Selection Plan

Black Hills Works Tenant Selection Plan

SECURITY DEPOSIT-

The owner/agent must collect a security deposit at the time of the initial lease execution before moving into the unit. The owner/agent requires that resident pay the security deposit in a guaranteed form (e.g., money order, cashier's check, bank check), determine

Security deposit amounts will be determined in accordance with Figure 6-6 of HUD's occupancy handbook, HUD Handbook 4350.3 REV-1.

PETS-

If an applicant wishes to request approval of an Assistance Animal – necessary to alleviate the symptoms or side-effects of a disability - the applicant (or applicant's representative) must request Reasonable Accommodation. The applicant family should review the Pet & Assistance Animal Rules.

HOUSING ASSISTANCE DEFINITION-

The property is operating under the guidelines established for the HUD Multifamily Section 8 program. Each person must be familiar with the lease and lease attachments and capable of fulfilling the lease requirements.

SUBSIDY-

The rent that a household would pay is based upon the household income. The rent paid by resident may vary.

SINGLE RESIDENCE/SUBSIDY CRITERIA-

A household is eligible for assistance only if the unit will be the household's only residence. The owner/agent will not knowingly assist applicant families who will maintain a residence in addition to the HUD-assisted unit.

Applicants MUST disclose if they are currently receiving HUD housing assistance. Residents can only receive subsidy for one unit/residence at a time. This prohibition does not prevent a person who is currently receiving assistance from applying for an assisted unit in another property.

If, for any reason, an applicant moves into this property before moving out of another subsidized unit, the household will be required to pay market rent until the move out from the previous property is complete and the resident is eligible to receive HUD subsidy for this property. Assistance in the new unit will begin, if the household is still eligible, the day after assistance ends for the previous unit.

Children in joint custody arrangements can receive HUD housing assistance in two units when both parent/guardian families receive HUD housing assistance. In these cases, additional verification is required. The owner/agent will request:

- Verification of the custody/guardianship/living arrangement
- (Dependent Deductions do not apply to foster children/foster adults) Verification of the use of the Dependent Deduction (only one family may take advantage of the dependent deduction). The owner/agent will verify use of the Dependent Deduction with the other owner/agent if:
 1. The child will live in the unit at least 50% of the time; and
 2. The parent wishes to claim the Dependent Deduction; and
 3. Both families are receiving HUD housing assistance.

In addition, foster children/adults may show up in a unit with their biological family as well as in a unit with a foster family. The owner/agent will not include income or assets associated with a foster child/adult. The foster child/adult does not qualify for deductions other than the Childcare Deduction.

Black Hills Works Tenant Selection Plan

HUD HOUSING VOUCHERS-

The owner/agent may not admit an applicant family if any member is in possession of a HUD housing assistance voucher provided through HUD's Public and Indian Housing (PIH) program unless the applicant agrees to give up the voucher prior to occupancy. This will be verified with the Housing Authority providing the HUD housing assistance voucher.

Please note that housing assistance provided through HUD's Multifamily Housing program is not the same as the housing assistance provided through HUD's Public and Indian Housing voucher program. If any family member moves out, the housing subsidy will not move with the family as it does with a voucher. The family will be required to re-apply to a PHA to receive another voucher.

DUAL SUBSIDY-

If the owner/agent discovers that any HUD housing assistance is still being paid after moving to Black Hills Works, Inc., no rent subsidy will be provided by the Department of Housing and Urban Development (HUD) until the day after the subsidy stops. This rule applies to the entire household. Subsidy is NOT prorated. Any assistance paid in error must be returned to HUD.

ASSISTED LIVING-

The owner/agent and property staff does provide, and has the authority to provide, any personal care or personal supervision services. The owner/agent and property staff does provide assistances with personal activities of daily living.

DETERMINATION OF ADJUSTED INCOME-

When determining Adjusted Income, the owner/agent will use HUD methods to determine Annual Income for the entire family. After Annual Income is determined, the owner/agent will apply the following deductions as applicable:

- The Elderly/Disabled Family Deduction;
- The Dependent Deduction;
- The Childcare Deduction;
- The Health & Medical Expense Deduction (Medical Expenses in excess of 10% of Annual Income)
- The Attendant Care & Auxiliary Apparatus Deduction

ELDERLY/DISABLED FAMILY DEDUCTION-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

For each family where the HOH, co-HOH or spouse is 62 or older or is disabled, HUD provides an annual family allowance. In 2024, the Elderly/Disabled Family Deduction is \$525. This amount may be adjusted by HUD annually.

THE DEPENDENT DEDUCTION-

A family receives a Dependent Deduction (\$480 subject to adjustment by HUD) for each family member *(except foster children and foster adults) * who is:

1. Under 18 years of age.
2. A person with disabilities; or
3. A full-time student of any age.

It is not necessary for a member of the family to have legal custody of a dependent, in order to receive the dependent deduction.

Black Hills Works Tenant Selection Plan

When more than one family shares custody of a child and both live in assisted housing, only one family at a time can claim the dependent deduction for that child.

Some family members may never qualify as dependents regardless of age, disability, or student status.

- The HOH, co-HOH or spouse may never qualify as dependents.
- A foster child, foster adult, an unborn child, a child who has not yet joined the family or a live-in aide may never be counted as a dependent.

THE CHILDCARE DEDUCTION-

Anticipated expenses for the care of children under age 13 (including foster children) may be deducted from Annual Income if all of the following are true:

1. Care is necessary to enable a family member to work, seek employment, or further his/her education (academic or vocational).
2. The family has determined there is no adult family member capable of providing care during the hours care is needed.
3. The expenses are not paid to a family member living in the unit.
4. The amount deducted reflects reasonable charges for childcare.
5. The expense is not reimbursed by an agency or individual outside the family.
6. Childcare expenses incurred to permit a family member to work must not exceed the amount earned by the family member made available to work during the hours for which childcare is paid.

CHILDCARE HARDSHIP EXEMPTION-

The owner/agent will not implement a Childcare Hardship Exemption Policy.

The health & medical expense deduction-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

The medical expense deduction is permitted only for families in which the head, spouse, or co-head is at least 62 years old or is a person with disabilities (elderly or disabled families).

If the family is eligible for a medical expense deduction, owners must include the unreimbursed medical expenses of all family members, including the expenses of non-elderly family members (adults or children) living in unit. The Medical Expense Deduction is that portion of total unreimbursed medical expenses that exceed 10% of the family's Annual Income.

The Medical Expense Deduction includes all out-of-pocket expenses the family anticipates to incur during the 12 months following the certification effective date.

The Attendant Care & Auxiliary Apparatus Expense Deduction-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

Families are entitled to a deduction for unreimbursed, anticipated costs for attendant care and "auxiliary apparatus" for each family member who is a person with disabilities, to the extent these expenses are reasonable and necessary to enable any family member 18 years of age or older who may or may not be the member who is a person with disabilities to be employed.

The Attendant Care & Auxiliary Apparatus Expense Deduction is that portion of total unreimbursed medical expenses that exceeds 10% of the family's Annual Income.

Black Hills Works Tenant Selection Plan

The Attendant Care & Auxiliary Apparatus Expense Deduction includes all out-of-pocket expenses the family anticipates to incur during the 12 months following the certification effective date.

Hardship Exemptions – Health & Medical Expense Deduction and the Attendant Care & Auxiliary Apparatus Deduction-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

For existing resident, who were receiving assistance as of 1/1/2024 and whose assistance calculation included a Medical Expense Deduction or a Disability Assistance Expense Deduction as of that date, the owner/agent will implement a Phase-in Hardship Exemption.

The owner/agent will not implement a Financial Hardship Exemption (General Relief) Policy.

RENT CALCULATION (ALL SECTION 8 PROGRAMS)-

The Total Tenant Payment (TTP) will be calculated in compliance with HUD rules. This means that the family will pay the greater of:

1. 10% of Monthly Income;
2. 30% of Monthly Adjusted Income; or
3. Welfare rent (welfare recipients in as-paid localities only); or
4. The \$25 minimum rent (Section 8 only).

Owner/agents are required to ensure that resident pay the correct Tenant Rent based on HUD's requirements, per that property's program/programs set forth for the property.

SECTION 8 MINIMUM RENT HARDSHIP EXEMPTION-

The owner/agent, may, at the owner/agent's discretion, grant a Hardship Exemption waiving a family's requirement to pay Section 8 Minimum Rent.

The owner/agent will grant a Section 8 Minimum Hardship Exemption if:

1. The resident or applicant requests a Minimum Rent Hardship Exemption; and
2. The net Cash Value of Assets for the entire family is \$50000 or less; **and**
3. The family's total Annual Income is at or below the current Extremely Low-Income Limit, **and**
4. The owner/agent must waive the Section 8 Minimum Rent for any family unable to pay due to a long-term Financial Hardship, including the following:
 - a. The family has lost federal, state, or local government assistance or is waiting for an eligibility determination.
 - b. The family would be evicted if the minimum rent requirement was imposed.
 - c. The family income has decreased due to a change in circumstances, including but not limited to loss of employment.
 - d. A death in the family has occurred.
 - e. Other applicable situations, as determined by HUD, have occurred.
5. The resident participates in a review meeting;

7. The resident has not provided Notice to Move;
8. The resident is a resident in good standing and the owner/agent has not indicated intent to terminate assistance and/or terminate tenancy (eviction);
9. The resident agrees to participate and participates in a review meeting at least every 90 days or upon request by the owner/agent.

When an applicant or resident requests a Section 8 Minimum Rent Hardship Exemption, the owner/agent must waive the minimum \$25 rent charge beginning the month immediately following the applicant/resident's request and implement the TTP calculated at the higher of:

Black Hills Works Tenant Selection Plan

- 30% of adjusted monthly income or
- 10% of gross monthly income (or the welfare rent).

The Tenant Rent will not be reduced to zero unless those calculations all result in zero.

The owner/agent may request reasonable documentation of the hardship in order to determine whether there is a hardship and whether it is temporary or long term in nature.

If the owner determines there is no hardship, as covered by the statute, the owner must immediately reinstate the Section 8 Minimum Rent requirements. The resident is responsible for paying any minimum rent that was not paid from the date minimum rent was suspended.

If the owner/agent determines that the hardship is temporary, the owner may not impose the Section 8 Minimum Rent requirement until 90 days after the effective date of the certification granting the S8 Minimum Rent Hardship Exemption. At the end of the 90-day period, the tenant is responsible for paying Section 8 Minimum Rent, retroactive to the initial date of the suspension.

If the hardship is determined to be long term, the owner/agent will exempt the resident from the Section 8 Minimum Rent requirement starting with the effective date of the certification granting the S8 Minimum Rent Hardship Exemption. The Section 8 Minimum Rent Hardship Exemption may be effective until such time that the hardship no longer exists.

The owner/agent will meet with the resident every 90 days, while the suspension lasts, to verify that circumstances have not changed. The length of the Section 8 Minimum Rent Hardship Exemption may vary from one family to another depending on the circumstances of each family.

If the household does not provide the Social Security Number and adequate documentation to verify the Social Security Number within the prescribed timeframe, HUD requires that the owner/agent terminate tenancy.

5. Foster children or adults when:
 - The foster agency will not provide the SSN or adequate documentation to verify the SSN; and
 - HUD approves.

APPLICANTS WHO HAVE NOT PROVIDED A SOCIAL SECURITY NUMBER OR ADEQUATE DOCUMENTATION TO VERIFY-

If, at the time a unit becomes available, all non-exempt household members have not provided adequate documentation necessary to verify Social Security Numbers, the next eligible applicant family must be offered the available unit.

All non-exempt household members have ninety (90) days-from the date they are first notified that a unit is available-to provide documentation necessary to verify the Social Security Numbers. During this 90-day period, the household may retain its place on the waiting list but will not be considered again until the required documentation is provided.

If, after ninety (90) days, the applicant family is unable to disclose/verify the Social Security Numbers of all non-exempt household members, the household will be determined ineligible and removed from the waiting list. The applicant's family may apply again, after obtaining the appropriate documentation. The applicant family will be placed on the waiting list based on the date and time the **new** Application is received.

SECONDARY VERIFICATION OF THE SOCIAL SECURITY NUMBER-

The Social Security Number provided will be compared to the information recorded in the Social Security Administration database through HUD's Enterprise Income Verification System (EIV) to ensure that the Social Security Number, birth date and last name match.

If EIV returns an error that cannot be explained or resolved, assistance and/or tenancy may be terminated, and any improper payment must be returned to HUD.

If an applicant/resident deliberately provides an inaccurate Social Security Number, the owner/agent and/or HUD may pursue additional penalties due to attempted fraud.

CITIZENSHIP/IMMIGRATION STATUS REQUIREMENTS -

Applicants are required to declare U.S. citizenship or submit evidence of eligible immigration status for each household member seeking housing assistance. The owner/agent is required to obtain the following:

1. Family Summary Sheet (*lists all household members who will reside in the assisted unit*);
2. Citizenship Declaration - Each household member listed on the Family Summary Sheet must complete a declaration of citizen or non-citizen status;
3. Forms and/or evidence of citizen/immigration status as required by HUD.

Additional information regarding submission and verification of proof of citizenship status or eligible non-citizen status can be found in Appendix B.

If any applicant has questions or experiences difficulties providing the described information or determining the type of documentation required, the applicant should contact the management office.

If any applicant is unable to provide the required documentation in the timeframe indicated in Appendix B, the applicant must contact the management office to request an extension.

If any applicant fails to provide this information in the timeframes described, the owner/agent cannot provide assistance and the applicant family will be rejected.

Black Hills Works Tenant Selection Plan

The owner/agent will offer the household assistance, providing subsidy to those eligible household members whose documents were received on time, when the following criteria is met:

1. At least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible based on all of the criteria in this Tenant Selection Plan;
2. Assistance/unit is available;
3. The household is the next household to be selected from the waiting list.

Proof of declared citizenship status must be provided for all household members. Members who claim U.S. citizenship can provide any documents approved by HUD or the Department of Homeland Security (DHS) to prove citizenship. Additional information is provided in Appendix B.

Non-citizens claiming eligible status must follow the guidance provided in Appendix B and in 24 CFR to prove eligible non-citizen status.

Applicants must be able to provide proof of citizenship or legal immigration status.

Citizenship eligibility must be reviewed after move-in if eligibility status can change.

If any household member is determined to be an ineligible non-citizen, either at Application or after move-in, assistance and/or tenancy may be denied, terminated, or prorated as appropriate.

SECTION 8 ASSET RESTRICTIONS (LIMITS)-

The following Section 8 Asset Restrictions are considered when determining eligibility of families applying for HUD's Section 8 Housing Assistance.

RESTRICTIONS BASED ON NET ASSETS - ASSET CAP-

A dwelling unit may not be rented, and assistance may not be provided, either initially or upon reexamination of family income, to any family if the Net Cash Value Of Included Assets exceeds the current Asset Cap established by HUD (certain assets are excluded). This "cap" may be adjusted annually in accordance with a commonly recognized inflationary index, as determined by HUD. (The Asset Cap established by HUD for 2024 is \$100,000).

Certain assets are excluded when determining the net cash value of assets. Excluded assets include, but are not limited to:

- ABLE Accounts;
- Amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty that resulted in a member of the family being disabled;
- Value of any Coverdell Education Savings Account or any qualified tuition program under Section 529;
- Family Self Sufficiency Escrow Accounts (FSS);
- Interest in Indian Trust land;
- Irrevocable Trust;
- Revocable Trusts when no one in the family controls the trust;
- Retirement Accounts as defined by the IRS;
- Real property when the family does not have legal authority to sell such property;
- Equity in property for which a family receives HCV homeownership assistance from a PHA;
- Equity in a manufactured home where the family receives Section 8 tenant-based assistance;
- Other assets as announced by HUD through Federal Register Notice.

ENFORCEMENT OF THE ASSET CAP AFTER MOVE-IN/INITIAL CERTIFICATION-

The owner/agent will review the family's eligibility, based on the Asset Cap, at each Interim and Annual Recertification. If the family is no longer eligible for HUD Section 8 housing assistance, the owner/agent will terminate assistance in accordance with HUD's requirements. The owner/agent will initiate termination of assistance within six months of the effective date of the certification created when ineligibility was discovered.

Black Hills Works Tenant Selection Plan

HOME OWNERSHIP - REAL PROPERTY RULE-

A dwelling unit may not be rented, and assistance may not be provided to any family if any member has a present ownership interest in, legal right to reside in, and the effective legal authority to sell real property, in the jurisdiction in which the property is located, that is suitable for occupancy by the family as a residence. This includes, but is not limited to a home, condominium, townhome, duplex, mobile home, etc. A dwelling will be considered “suitable for occupancy” unless the family demonstrates that it:

1. Does not meet the disability-related needs for all members of the family (*e.g.*, physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.);
2. Is not sufficient for the size of the family;
3. Is geographically located so as to be a hardship for the family (*e.g.*, the distance or commuting time between the property and the family’s place of work or school would be a hardship to the family, as determined by the owner);
4. Is not safe to reside in because of the physical condition of the property (*e.g.*, property’s physical condition poses a risk to the family’s Health & safety and the condition of the property cannot be easily remedied); or
5. Is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.

The applicant or resident is exempt from the Real Property Rule if:

1. Any property is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the person resides in the jointly owned property;
2. The member is a survivor of a VAWA crime (domestic violence, dating violence, sexual assault, or stalking); or
3. The family is offering such property for sale;
4. The family is receiving assistance under 24 CFR 982.620; or under the Homeownership Option in 24 CFR part 982.

ENFORCEMENT OF THE REAL PROPERTY RULE AFTER MOVE-IN/INITIAL CERTIFICATION-

The owner/agent will review the family’s eligibility, based on the Real Property Rule, at each Interim and Annual Recertification. If the family is no longer eligible for HUD Section 8 housing assistance, the owner/agent will terminate assistance in accordance with HUD’s requirements. The owner/agent will initiate termination of assistance within six months of the effective date of the certification created when ineligibility was discovered.

ELIGIBILITY OF STUDENTS ENROLLED AT AN INSTITUTE FOR HIGHER EDUCATION-

Student eligibility is determined at move-in/initial certification and at each Annual Recertification. Student eligibility may also be reviewed at Interim Recertification if student status has changed since the last certification.

A student who is otherwise eligible and meets screening requirements is eligible for assistance if the student meets the criteria indicated below. Section 8 assistance shall be provided to any individual who is enrolled as either a part-time or full-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential; when the student:

1. Is living with his or her parents who are receiving Section 8 assistance;
2. Is individually eligible to receive Section 8 assistance and has parents who are income eligible to receive Section 8 assistance;
3. Is a graduate or professional student;
4. Is a veteran of the United States military or is an active member of the United States military;
5. Is married;
6. Has a dependent other than a spouse (*e.g.*, dependent child);
7. Is at least 24 years of age (over 23);

Black Hills Works Tenant Selection Plan

8. Is a person with disabilities, as such term is defined in section 3(b)(3)(E) of the 1937 Act and was receiving assistance under section 8 of the 1937 Act as of November 30, 2005;
9. Is classified as Vulnerable Youth; A student meets HUD's definition of a vulnerable youth when:
 - a. The individual is an orphan, in foster care, or a ward of the court or was an orphan, in foster care, or a ward of the court at any time when the individual was 13 years of age or older;
 - b. The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's State of legal residence;
 - c. The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth (as such terms are defined in section 725 of the McKinney-Vento Homeless Assistance Act) (42 U.S.C. 11431 et seq.), or as unaccompanied, at risk of homelessness, and self-supporting, by
 - i. A local educational agency homeless liaison, designated pursuant to the McKinney-Vento Homeless Assistance Act;
 - ii. The director of a program funded under the Runaway and Homeless Youth Act or a designee of the director;
 - iii. The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act (relating to emergency shelter grants) or a designee of the director; or
 - iv. A financial aid administrator; or
10. The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances

If a student does not meet the eligibility criteria above, but can prove independence from parents under HUD rules, then the student would meet HUD's student eligibility criteria. Please see property staff if you need additional information about proving independence from parents.

If an ineligible student applies for or is a member of an existing household receiving Section 8 assistance, the assistance for the household will not be prorated but will be terminated.

NOTE: *An owner cannot evict or require an ineligible student to move from a unit as long as the student is in compliance with the terms of the lease.*

STUDENT FINANCIAL ASSISTANCE -

When student financial assistance exceeds tuition and covered fees, student financial assistance that is not specifically excluded will be included as part of the family's Annual Income unless the student is the HOH, co-HOH/spouse and is over 23 (24 or older) with a dependent child.

For Section 8 programs, any financial assistance that is provided through a qualified Coverdell Education Savings Account (ESA) or other qualified ESA, is excluded when determining Annual Income for the family.

Any financial assistance a student receives (1) from private sources, (2) from an institution of higher education, or (3) under the Higher Education Act of 1965, that is in excess of amounts received for tuition and other qualified fees, is included when determining Annual Income for the family, except if the student is the HOH, co-HOH or spouse and is over the age of 24 with a dependent child or children (as defined by HUD).

Student financial assistance that is provided by persons not living in the unit is not part of Annual Income if the student meets the Department of Education's definition of "vulnerable youth".

Covered fees include tuition, books, supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and fees required and charged to a student by an institution of higher education (as defined under section 102 of the Higher Education Act of 1965). For a student who is not the Head-of-Household, Co-HOH/Spouse, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

Black Hills Works Tenant Selection Plan

After Move-in/Initial Certification, eligibility, based on the Real Property Rule, will not be reviewed unless the owner/agent has cause to correct the Move-in/Initial Certification.

PROHIBITION OF ASSISTANCE TO NONCITIZEN STUDENTS

Noncitizen students and their noncitizen families may not receive assistance. Noncitizen students are not eligible for continuation of assistance or temporary deferral of termination of assistance. A noncitizen student is defined as an individual who is as follows:

1. A resident of another country to which the individual intends to return;
2. A bona fide student pursuing a course of study in the United States; and
3. A person admitted to the United States solely for the purpose of pursuing a course of study as indicated on an F-1 or M-1 student visa.

This prohibition applies to the noncitizen student's noncitizen spouse and noncitizen children. However, spouses and children who are U.S. citizens may receive assistance. For example, a family that includes a noncitizen student married to a U.S. citizen is a mixed family.

PROCEDURES FOR TAKING APPLICATIONS-

It is the owner/agent's policy to accept and process Applications in accordance with HUD guidance. The owner/agent will make a reasonable accommodation to assist in the Application process if the applicant or any member of the applicant family is disabled.

- Upon request, the owner/agent will provide interested parties with a paper copy of the Application Package. Applicants may make an appointment to pick up an Application Package or may call the property management staff and request a paper copy.
- Applicants may contact the property management staff and request an emailed or mailed application.

Before completing or executing any forms, additional copies should be made for all adult household members and in some cases for minors who will live in the unit.

The person who is indicated as the Head-of-Household (HOH) must execute and sign all documents that are included in the Application Package.

All adult applicants must complete the Application Package as instructed.

All Applications can be submitted:

1. Via First Class mail;
2. On site at the property management office;

The owner/agent will accept the Application in an equally effective format, as a reasonable accommodation, if there is the presence of a disability.

All documents in the Application Package must be completed in full, signed and dated in order to be accepted. Applicants will not be added to the waiting list until all Application forms have been properly completed and signed as appropriate.

INCOMPLETE APPLICATIONS

Incomplete (including signature) Application Packages will be returned without consideration.

PRELIMINARY DETERMINATION OF APPLICANT ELIGIBILITY-

Information needed to determine applicant eligibility shall be obtained, verified, and the determination of applicant eligibility performed, in accordance with HUD and property eligibility requirements.

Upon receipt of the completed Application, the owner/agent will make a preliminary eligibility determination before adding a household to the waiting list or initiating final eligibility tasks. The owner/agent will review the Application to ensure that there are no obvious factors that would make the applicant family ineligible.

Black Hills Works Tenant Selection Plan

If a preliminary eligibility review indicates that a household appears eligible for tenancy, but units of appropriate size are not available, the owner/agent will place the household on the waiting list for the property and notify the household when a suitable unit becomes available.

If no appropriate unit exists in the property, the owner/agent will reject the applicant family.

Being eligible, however, does not guarantee that the Application will be approved.

FINAL DETERMINATION OF ELIGIBILITY-

When a unit becomes available, and when the applicant family is at the top of the waiting list, each adult member must submit a new complete application within 10 (ten) business days of notification by the owner/agent. All eligibility criteria will be reviewed, and information will be verified as required before a final eligibility determination is made. Being eligible, however, does not guarantee that the Application will be approved.

All adult applicants (and if appropriate minors) will be subject to the certain screening based on landlord/rental history, credit history and criminal history.

If criminal history or credit history are not acceptable, the owner/agent will notify the resident member and/or reject the Application as required by HUD and indicated in the description below. The owner/agent will not conduct additional screening and will not take additional steps to determine eligibility.

If criminal history and credit history are acceptable, the owner/agent will conduct landlord screening. If landlord screening is not acceptable, the owner/agent will notify and/or reject the Application as required by HUD and indicated in the description below. The owner/agent will not take steps to determine eligibility.

If landlord screening is acceptable, the owner/agent will complete the remaining tasks necessary to determine eligibility.

LIVE-IN AIDES-

Applicants must contact the management office staff if a live-in aide will be moving in to the unit. If the family plans to include a live-in aide, the live-in aide is not required to complete the same Application forms. Live-in aides must complete the Live-in Aide Application and participate in screening and other verifications that are required.

The live-in aide must meet HUD's definition of a live-in aide.

The live-in aide has no rights to the unit as a remaining family member and must agree to relinquish possession of the unit within a reasonable time if the resident is absent for an extended period of time or if the resident leaves for any reason.

WAITING LISTS -

To ensure that applicant families are appropriately and fairly selected for the next available unit (*when a unit of the appropriate size or type is not available at the time of Application*), it is essential for the owner/agent to maintain waiting lists. The owner/agent will place the applicant family on the waiting list after preliminary eligibility determination is complete.

Applicants will have the option of specifying a desired unit size or multiple unit sizes when completing the Application. The applicant family will be placed on the waiting list for all requested unit sizes/types as long as:

Black Hills Works Tenant Selection Plan

- The applicant family meets the Occupancy Standards described in this plan; and
- The waiting list for the unit size is open.

The Head-of-Household (HOH) will be contacted when the family approaches the top of the waiting list, and an appropriate unit becomes available based on the selection guidelines described in this plan.

MAINTAINING WAITING LISTS-

It is the policy of the owner/agent to administer its waiting list as required by HUD handbooks and regulations. The owner/agent will update the waiting list by removing the names of applicant families based on the requirements set forth in this plan. It is important for applicants to update the management office if the applicant has had a change of address or phone number. In case of a VAWA situation, contact the management office for alternative methods of contact.

The owner/agent will contact each applicant family every 6 months to see if the applicant would like to remain on the waiting list. If the applicant applied, one (1) month before the owner/agent sends out the (waiting list letter) that applicant will not receive a notice to remain on the waiting list. The Head-of-Household (HOH) will be the only person contacted unless otherwise requested.

If this letter is unable to be delivered by the United States Postal Service, the applicant family will be rejected, and the household will be removed from the waiting list.

If the Head-of-Household (HOH) fails to respond to the owner/agent inquiries regarding the desire to remain on the waiting list within 10 days of the date of the letter, the applicant family will be rejected and will be removed from the waiting list.

In addition, an adult member of the applicant family must contact the property if household information changes (i.e. number of household members, number of future household members, criminal history, income, address, phone number...etc.). If the household size or composition changes, the owner/agent will:

1. Update the waiting list information; and
2. Decide whether the household needs the same or a different unit.

If, as a result of the household composition change, it is determined that the applicant family will be on the waiting list for a different unit type/size than originally indicated, the applicant family will be placed on the bottom of the waiting list for the new unit size.

REMOVING APPLICANTS FROM THE WAITING LIST-

The owner/agent will remove an applicant family's name from the waiting list when if any of the following apply:

- Applicant family requests removal;
- The unit that is needed – using household size as the basis – has changed, and no appropriate size/type unit exists in the property;
- The unit that is needed – using household size as the basis – has changed, and the waiting list is closed for that unit size/type;
- Applicant family fails to meet eligibility requirements;
- Applicant family fails to meet occupancy standards;
- Any individual applicant fails to meet screening requirements;
- Applicant family is rejected for any reason described in this plan;
- Applicant family cannot be contact by US Mail (letters are returned or undeliverable);
- Applicant family cannot be contacted by phone (number disconnected or changed);
- Applicant family cannot be contacted by other electronic means including email;
- Applicant family was clearly advised, in writing, of the requirement to tell owner/agent of his/her

Black Hills Works Tenant Selection Plan

- continued interest in housing and failed to do so;
- Applicant family refused second offer of a unit (See Right to Refusal Policy for additional information.).
- Applicant family accepted a unit but failed to move in to the unit within 30 calendar days. Some exceptions apply.

If an applicant family is removed from the waiting list, and subsequently the owner/agent determines that an error was made in removing the applicant family, the applicant family will be reinstated at the original place on the waiting list.

If an applicant family is removed from the waiting list, and later, the applicant family feels that they are now qualified for assistance/tenancy, the applicant family must submit a new Application. The applicant family will be placed on the waiting list, as necessary, based on the submission date and time of the new Application.

There are certain situations when the owner/agent may refuse to accept an application. The owner/agent will not accept Applications from individuals who were previously rejected because a member of the applicant family:

- Is subject to a state lifetime sex offender registry;
- Has been rejected because he/she has been convicted of a crime as indicated in the criminal screening criteria (*certain time restrictions apply*);
- Has been evicted from another property managed or owned by the owner/agent;
- Has been evicted from a federally assisted property for drug use in the last five (5) years.

In addition, if an applicant family previously accepted a unit offered by the owner/agent and the applicant family failed to take possession of the unit on the agreed upon date without notice to the owner/agent, the owner/agent reserves the right to refuse all future Applications.

SELECTING APPLICANT FAMILIES FROM THE WAITING LIST-

When a unit becomes available, the owner/agent will contact the next applicant family on the waiting list (*based on the selection criteria described in this plan*) and the Head-of-Household, co-HOH/spouse and all adult family members will be required to meet with management for an eligibility interview.

No decisions to offer the unit shall be made until all information presented by the applicant family has been verified and the final eligibility determination is complete.

INCOME TARGETING –

Based on the HUD contract for this property, the owner/agent is required to comply with the Income Targeting Requirement. Income Targeting requires that the owner/agent implement policies to ensure that, during the property fiscal year, 40% of all applicant families that move into the property or who begin receiving assistance fall within the Extremely Low-Income Limits for the area where the property is located.

The owner/agent is required to monitor compliance throughout the year. If, after periodic review, the owner/agent discovers that the Income Targeting Requirement will not be attained, the owner/agent will only select, in order, those applicant families whose income falls within the extremely-low income levels. Once the Income Targeting Requirement is met, the owner/agent will return to the “natural” selection order.

PREFERENCES -

Applicant families with preferences are selected from the waiting list and receive an opportunity for an available unit earlier than those who do not have a preference.

Assigning preferences to applicant families who meet certain criteria is a method intended to provide housing opportunities to applicant families based upon household circumstances.

Black Hills Works Tenant Selection Plan

Preferences affect only the order applicant families are selected from the waiting list. They do not make anyone eligible who was not otherwise eligible. Preferences are not permitted if they, in any way, interfere with affirmative marketing efforts or fair housing requirements.

STATUTORY & REGULATORY PREFERENCE — DISPLACEMENT

Applicant families who have been displaced by government action or a presidentially declared disaster will receive preference over other applicant families.

UNIT TRANSFER PREFERENCE

Residents who has submitted a Unit Transfer Request and who are deemed eligible for the transfer are given preference on the waiting list. This means that a resident transferring from one unit to another will be offered a unit before an applicant family.

If the unit transfer is requested and qualifies for special consideration based on the VAWA Emergency Transfer Policy, the request will receive preference over other requests to transfer. Please see information about how preferences are “weighted” below.

SPLIT HOUSEHOLD PREFERENCE

If two or more adult household members reside in one unit and one or more adults choose to apply for a separate unit, the “new family” requesting a separate unit will be required to submit a new application. Household members who remain in the existing unit are not required to re-apply.

The Application will be reviewed for eligibility as described in this plan and if approved, that applicant family will receive preference over other resident and applicants.

If the household split is requested and qualifies for special consideration based on the VAWA Emergency Transfer policy, the request will receive preference over other requests to “split” a household.

VAWA EMERGENCY TRANSFER (INTERNAL TRANSFER)-

In some cases, families that qualify for a VAWA Emergency Transfer (VET) may receive preference over other resident who have requested a unit transfer. Victims of VAWA crimes who qualify for a VAWA Emergency Transfer (VET) will receive preference equal to other resident requesting an emergency transfer. Selection will be based upon the date and time the completed VAWA Emergency Transfer (VET) Request was received by the owner/agent. If no unit is immediately available, the resident will be added to the property waiting list. If the family wishes to seek alternative housing outside of the property, the resident family may remain on the property waiting list (with a VET preference) while seeking alternative housing options. Please see Appendix D and/or the VAWA Policy and/or contact property staff for additional information.

VAWA EMERGENCY TRANSFER (EXTERNAL TRANSFER)-

In some cases, families that qualify for a VAWA Emergency Transfer (VET) may receive preference over other applicant families. Please see the VAWA Policy and the VAWA Emergency Transfer Plan and/or contact property staff for additional information if any family member is a victim of a VAWA crime, a person affiliated with such a victim or a person who is an advocate for a victim of a VAWA crime.

WEIGHT OF PREFERENCES AS DESCRIBED-

When offering a unit, the owner/agent will consider applicant families and resident requesting unit transfers who qualify for preference over applicant families and resident requesting unit transfer who do not qualify for any of the preferences described above.

Residents who are requesting new units and who meet the qualifications listed below will be placed on the waiting list, with a preference based on the date and time the completed Unit Transfer Request is received.

These existing residents will be placed first.

Black Hills Works Tenant Selection Plan

- Verified need for an accessible unit;
- Verified need for a reasonable accommodation;
- Verified medical need;
- Imminent Threat (Involuntary displacement, HUD request, and VAWA Emergency Transfer) (Note from RBD – You must define each preference. Most preferences require approval from HUD. Please delete this note from RBD before completing edits to your TSP);
- Resident is currently living in an accessible unit and no longer needs the features
- Under housed (unit is too small)

Residents who are requesting new units and who do not qualify for preferences will be placed next based on the date and time the completed Unit Transfer Request is received and their eligibility for other preferences.

OPENING AND CLOSING WAITING LIST -

To ensure that applicant families on the waiting list are processed in a reasonable amount of time, the owner/agent may stop accepting Pre-Applications or Applications and close waiting lists in whole or in part.

Decisions about closing and opening the waiting list will be based on the number of Applications available for a particular size and type of apartment and the ability of the owner/agent to house an applicant family in an appropriate apartment within a reasonable period of time.

The owner/agent will use a twelve (12) month waiting period to determine whether the waiting list may be closed.

If the owner/agent has sufficient Applications, the waiting list may be closed completely. Notices announcing that the waiting list is closed or open will be publicly announced in the following manner:

- The property web site including any applicant portal; or
- Local newspapers; or
- Publications described in the Affirmative Fair Housing Marketing Plan; or
- Flyers distributed in applicable neighborhoods.

Interested parties who insist on submitting Applications when the waiting list is closed will not be considered. The Application **will not be reviewed** and will be returned.

During the period when the waiting list is closed, the owner/agent **will not** maintain a list of individuals who wish to be notified when the waiting list is reopened.

If the owner/agent has sufficient Applications, the waiting list may be closed completely. Notices announcing that the waiting list is closed or open will be publicly announced in the following manner:

- The property web site including any applicant portal;
- Local newspapers;
- Publications described in the Affirmative Fair Housing Marketing Plan;
- Flyers distributed in applicable neighborhoods.

PRIVACY POLICY-

It is the policy of the owner/agent to guard the privacy of individuals conferred by the Federal Privacy Act of 1974 and to ensure the protection of such individuals' records maintained by the owner/agent.

Unless the individual about whom information is requested gives consent to such disclosure, neither the property owner nor its agents shall disclose any personal information to any person or agency, other than:

Black Hills Works Tenant Selection Plan

- Staff associated with the property as appropriate;
- Service providers as appropriate;
- HUD;
- HUD's agents;
- Contract Administrators;
- Other federal/state entity or investor auditing entities.

The Privacy Act in no way limits the owner/agent's ability to collect such information to determine eligibility, compute rent, or determine an applicant's suitability for tenancy.

VERIFICATION -

The owner/agent shall obtain verifications in compliance with requirements set forth by the Department of Housing and Urban Development. After the preliminary eligibility determination, no decision to approve an Pre-Application or Application shall be made until information provided on the Application form and during subsequent interviews has been collected and any necessary follow-up interviews have been performed.

All information relative to the following items must be verified as described in these procedures.

INFORMATION TO BE VERIFIED -

Information to be verified includes, but is not limited to:

1. Eligibility for Admission, such as
 - a. Income;
 - b. Assets and Asset Income;
 - c. Identification;
 - d. Age;
 - e. Household Composition;
 - f. Social Security Numbers;
 - g. Student Status;
 - h. Current HUD Assistance.
2. Allowances, such as
 - a. Age;
 - b. Disability;
 - c. Full Time Student Status;
 - d. Child Care Expenses;
 - e. Disability Assistance Expenses;
 - f. Medical Expenses (For Elderly/Disabled Households Only).
3. Compliance with Resident Screening Guidelines, such as
 - a. Criminal History;
 - b. Credit History;
 - c. Rental/Residence History;
4. The Need for an Accessible Unit.

METHODS OF VERIFICATION-

PHAs/MFH When verifying income at Move-in/Initial Certification, Annual Recertification and Interim Recertification, the owner/agent may determine a family's annual income, including income from assets, prior to the application of any deductions based on income determinations made within the previous 12-month period, using income determinations from the following types of means-tested federal public assistance programs:

- a. The Temporary Assistance for Needy Families block grant (42 U.S.C. 601, et seq.).

The Means-tested verification must state the family size, must be for the entire family (i.e., the family members listed in the documentation must match the family's composition in the assisted unit, except for non-family members), and must state the amount of the family's Annual Income. The Annual Income need not be broken down by family member or income type.

Black Hills Works Tenant Selection Plan

Annual income includes income earned from assets, therefore when using Means-tested Verification (also known as Safe Harbor) to verify a family's income, the owner/agent will not inquire about a family's net family assets, nor about the income earned from those assets.

The Means-tested Verification (Safe Harbor) must show that the family's income determination was made within the 12 months prior to the receipt of the verification by the owner/agent. The Means-tested Verification (also known as Safe Harbor) documentation will be considered acceptable if any of the following dates fall into the 12-month period prior to the receipt of the documentation by the owner/agent.

- a. Income determination effective date;
- b. Program administrator's signature date;
- c. Family's signature date;
- d. Report effective date; or
- e. Other report-specific dates that verify the income determination date.
- f. The only information that owner/agents are permitted to use to determine income under this Means-tested Verification (also known as Safe Harbor) is the total income determination made by the federal means-test program administrator. Other federal programs may provide additional information about income inclusions and exclusions in their documentation; however, these determinations and any other information **will not** be considered by the owner/agent for purposes of the Means-tested Verification (also known as Safe Harbor) provision. Owner/agents are not permitted to mix and match Safe Harbor income determinations and other income verifications;

PERIOD FOR VERIFICATION-

Only verified information that is less than 120 days old may be used for verification. This does not apply to Means-tested verification which may be used for up to 12 months.

Income from federal programs may be verified using an award letter for the award year until the COLA is announced.

Verified information not subject to change (such as a person's date of birth) will not be re-verified.

CONSENT AND VERIFICATION FORMS 9887S -

Currently, all adult applicants must sign HUD's 9887 and 9887A before being admitted to the housing program and at each Annual Recertification.

Note: The following rules about consent forms require HUD to release an updated 9887.

Starting the later of January 1, 2024 or when HUD releases an updated 9887, all applicants must sign HUD's consent forms at admission. After an applicant or resident has signed and submitted these consent forms, they do not need to sign and submit subsequent consent forms except under the following circumstances:

- When a new member is added to the unit if:
 - The new member is 18 years of age or older, or
 - The new member is the HOH, co-HOH/spouse regardless of age;
- When a member of the family turns 18 years of age;
- If the family's assistance is terminated and the family wishes to reinstate housing assistance; and
- As required by HUD in administrative instructions.

These consent forms contain provisions authorizing HUD and owner/agent to obtain necessary information for verification of an application or to maintain a family's assistance, including income information and tax return information. The executed consent forms will remain effective until the family is denied assistance, or the assistance is terminated. If a family leaves a HUD program (moves-out), the family's assistance is considered to be terminated and the signed consent forms will no longer be in effect.

Any adult member of the family may provide written notification to the owner/agent to revoke consent. Doing so makes the family ineligible and housing assistance will be terminated immediately. Termination will be completed in accordance with the HUD lease and HUD guidance. The resident will be provided with a 30-Day Notice of Rent Increase as required.

OWNER/AGENT CREATED VERIFICATION FORMS

The owner/agent may create verification forms for specific verification needs and must include the language required by HUD.

Applicants who refuse to sign consent forms are subject to rejection. Residents who refuse to sign consent forms are subject to termination of assistance.

Owner/agent created verification forms must clearly state that the applicant or resident is not required to sign the form if it does not clearly indicate who will provide the requested information and who will receive the information. The owner/agent will retain a copy of the verification form and provide a copy to the applicant or resident upon request.

STREAMLINING-

The owner/agent has implemented the following Streamlining processes.

Black Hills Works Tenant Selection Plan

STREAMLINED DETERMINATION OF FIXED INCOME-

The owner/agent will not adopt Streamlined Determination of Fixed Income except for January – April certifications. Once the SS COLA is announced, the SS COLA will be applied for any certifications, for the award year, that were not complete on the date of the announcement.

Streamlined Determination of Income, Streamlined Verification of Assets & Streamlined Certification for Fixed Income Families-

STREAMLINED VERIFICATION OF ASSETS

(\$50,000 in 2024 But Subject To Annual Adjustment by HUD).

At move-in and at least every three years, owner/agents will verify the cash value of assets that are not specifically excluded, and will verify the income from those assets when possible. In Year 2 and in Year 3, owner/agents will conduct such verification only if the net cash value of all family assets exceeds the current Asset Threshold. If the net cash value of all family assets (except those specifically excluded), is equal to or less than the current Asset Threshold, the owner/agent will accept the families notarized or witnessed self-certification providing the net cash value of assets not specifically excluded and any known income from those assets.

STREAMLINED CERTIFICATION FOR FIXED INCOME FAMILIES-

The owner/agent will not implement Streamlined Certification for Fixed Income Families.

DETERMINATION OF ADJUSTED INCOME-

When determining Adjusted Income, the owner/agent will use HUD methods to determine Annual Income for the entire family. After Annual Income is determined, the owner/agent will apply the following deductions as applicable:

- The Elderly/Disabled Family Deduction;
- The Dependent Deduction;
- The Childcare Deduction;
- The Health & Medical Expense Deduction (Medical Expenses in excess of 10% of Annual Income);
- The Attendant Care & Auxiliary Apparatus Deduction

ELDERLY/DISABLED FAMILY DEDUCTION-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

For each family where the HOH, co-HOH or spouse is 62 or older or is disabled, HUD provides an annual family allowance. In 2024, the Elderly/Disabled Family Deduction is \$525. This amount may be adjusted by HUD annually.

THE DEPENDENT DEDUCTION-

A family receives a Dependent Deduction (*\$480 subject to adjustment by HUD*) for each family (except foster children and foster adults) who is:

1. Under 18 years of age;
2. A person with disabilities; or
3. A full-time student of any age.

It is not necessary for a member of the family to have legal custody of a dependent in order to receive the Dependent Deduction.

When more than one family shares custody of a child and both live in assisted housing, only one family at a time can claim the Dependent Deduction for that child.

Some family members may never qualify as dependents regardless of age, disability, or student status.

- The HOH, co-HOH or spouse may never qualify as a dependent.

Black Hills Works Tenant Selection Plan

- A foster child, foster adult, an unborn child, a child who has not yet joined the family or a live-in aide may never be counted as a dependent.

THE CHILDCARE DEDUCTION-

Anticipated expenses for the care of children under age 13 (including foster children) may be deducted from Annual Income if all of the following are true:

1. The care is necessary to enable a family member to work, seek employment, or further his/her education (academic or vocational).
2. The family has determined there is no adult family member capable of providing care during the hours care is needed.
3. The expenses are not paid to a family member living in the unit.
4. The amount deducted reflects reasonable charges for child care.
5. The expense is not reimbursed by an agency or individual outside the family.
6. Child care expenses incurred to permit a family member to work must not exceed the amount earned by the family member made available to work during the hours for which child care is paid.

CHILDCARE HARDSHIP EXEMPTION-

The owner/agent will not implement a Childcare Hardship Exemption Policy.

THE HEALTH & MEDICAL EXPENSE DEDUCTION-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

The medical expense deduction is permitted only for families in which the head, spouse, or co-head is at least 62 years old or is a person with disabilities (elderly or disabled families).

If the family is eligible for a medical expense deduction, owners must include the unreimbursed medical expenses of all family members, including the expenses of non-elderly family members (adults or children) living in unit. The Medical Expense Deduction is that portion of total unreimbursed medical expenses that exceed 10% of the family's Annual Income.

The Medical Expense Deduction includes all out-of-pocket expenses the family anticipates to incur during the 12 months following the certification effective date.

THE ATTENDANT CARE & AUXILIARY APPARATUS EXPENSE DEDUCTION-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

Families are entitled to a deduction for unreimbursed, anticipated costs for attendant care and "auxiliary apparatus" for each family member who is a person with disabilities, to the extent these expenses are reasonable and necessary to enable any family member 18 years of age or older who may or may not be the member who is a person with disabilities to be employed.

The Attendant Care & Auxiliary Apparatus Expense Deduction is that portion of total unreimbursed medical expenses that exceeds 10% of the family's Annual Income.

The Attendant Care & Auxiliary Apparatus Expense Deduction includes all out-of-pocket expenses the family anticipates to incur during the 12 months following the certification effective date.

HARDSHIP EXEMPTIONS – HEALTH & MEDICAL EXPENSE DEDUCTION AND THE ATTENDANT CARE & AUXILIARY APPARATUS DEDUCTION-

Note: The following change will not be in effect until the owner/agent implements new site software to comply with changing HUD requirements (no later than 1/1/2025)

Black Hills Works Tenant Selection Plan

For existing residents, who were receiving assistance as of 1/1/2024 and whose assistance calculation included a Medical Expense Deduction or a Disability Assistance Expense Deduction as of that date, the owner/agent will implement a Phase-in Hardship Exemption.

The Phase-in Hardship Exemption (Relief)-

The Phase-in Exemption is available to those residents who were receiving HUD assistance (MFH or PIH) as of January 1, 2024, and who were receiving either the Medical Expense Deduction or the Disability Assistance Expense Deduction as part of the Assistance Payment calculation as of that date. In these cases, HUD allows owner/agents to “phase in” the Deduction Decrease:

- The deduction will be the amount that is over 5% of Annual Income for the first 12 months of Phase-in.
- The deduction will be the amount that is over 7.5% of Annual Income for the second 12 months of Phase-in.
- After the first 24 months, the deduction will be the amount that is over 10% of Annual Income.

If assistance is terminated (not suspended), the Phase-in Exemption ends.

When an applicant requests and when the owner/agent can verify eligibility for the Phase-in Exemption, the owner/agent will allow the Phase-in Exemption to continue starting with the Move-in/Initial certification.

RENT CALCULATION-

The Total Tenant Payment (TTP) will be calculated in compliance with HUD rules. This means that the family will pay the greater of:

- 10% of Monthly Income;
- 30% of Monthly Adjusted Income; or
- Welfare rent (welfare recipients in as-paid localities only); or
- The \$25 minimum rent (Section 8 only).

SECTION 8 MINIMUM RENT HARDSHIP EXEMPTION

The owner/agent, may, at the owner/agent’s discretion, grant a Hardship Exemption waiving a family’s requirement to pay Section 8 Minimum Rent.

The owner/agent will grant a Section 8 Minimum Hardship Exemption if:

1. The resident or applicant requests a Minimum Rent Hardship Exemption; and
2. The net Cash Value Of Assets for the entire family is \$50,000 or less; **and**
3. The family’s total Annual Income is at or below the current Extremely-low Income Limit, **and**
4. The resident participates in a review meeting; and
5. The resident provides required information and signatures within ten (10) business days; and
6. The resident has not provided Notice to Move; and
7. The resident is a resident in good standing and the owner/agent has not indicated intent to terminate assistance and/or terminate tenancy (eviction); and
8. The resident agrees to participate and participates in a review meeting at least every 90 days or upon request by the owner/agent.

The owner/agent must waive the Section 8 Minimum Rent for any family unable to pay due to a long-term Financial Hardship, including the following:

1. The family has lost federal, state, or local government assistance or is waiting for an eligibility determination.
2. The family would be evicted if the minimum rent requirement was imposed.
3. The family income has decreased due to a change in circumstances, including but not limited to loss of employment.
4. A death in the family has occurred.
5. Other applicable situations, as determined by HUD, have occurred.

When an applicant or resident requests a Section 8 Minimum Rent Hardship Exemption, the owner/agent must waive the minimum \$25 rent charge and implement the TTP calculated at the higher of:

- 30% of adjusted monthly income or

Black Hills Works Tenant Selection Plan

- 10% of gross monthly income (or the welfare rent).

The Tenant Rent will not be reduced to zero unless those calculations all result in zero.

If the owner determines there is no hardship, as covered by the statute, the owner must immediately reinstate the Section 8 Minimum Rent requirements. The resident is responsible for paying any minimum rent that was not paid from the date minimum rent was suspended.

If the owner/agent determines that the hardship is temporary, the owner may not impose the Section 8 Minimum Rent requirement until 90 days after the effective date of the certification granting the S8 Minimum Rent Hardship Exemption. At the end of the 90-day period, the resident is responsible for paying Section 8 Minimum Rent, retroactive to the initial date of the suspension.

If the hardship is determined to be long term, the owner/agent will exempt the resident from the Section 8 Minimum Rent requirement starting with the effective date of the certification granting the S8 Minimum Rent Hardship Exemption. The Section 8 Minimum Rent Hardship Exemption may be effective until such time that the hardship no longer exists.

The owner/agent will meet with the resident every 90 days, while the suspension lasts, to verify that circumstances have not changed. The length of the Section 8 Minimum Rent Hardship Exemption may vary from one family to another depending on the circumstances of each family.

ERRORS CAUSED BY A MEMBER OF THE RESIDENT FAMILY-

If an owner suspects that a resident has inaccurately supplied or misrepresented information that affects the rent or a family's eligibility, the owner must investigate and document the resident file.

If the resident family meets with the owner to discuss the error, and the owner is convinced the submissions were correct, the owner will document the file accordingly and close the investigation.

If, after meeting with the resident family, the owner determines that the provision of inaccurate information was an unintentional program violation, the owner will correct the rent calculation, if applicable, and provide the tenant with notice of the change in rent. If the resident received an improper payment, the resident will be required to return that improper payments, in compliance with the HUD lease.

If the tenant is unable to repay the full amount, the owner and tenant may enter into a repayment agreement. If, after the income adjustment, the family no longer qualifies for assistance, the family may remain in the property subject to making repayments and paying market rent.

If the family did not qualify for assistance at MI/IC or no longer qualifies for HUD's PRAC housing assistance program, the owner/agent must terminate tenancy (evict).

The owner may terminate tenancy if the resident refuses to pay any new monthly rent or refuses to repay the previously overpaid subsidy (improper payment) pursuant to any Repayment Agreement.

The owner may terminate tenancy if the resident refuses to enter into Repayment Agreement if such an option is offered. If necessary, civil action may be filed to recover the funds.

If the owner determines the resident knowingly provided inaccurate or incomplete information, and this can be substantiated through documentation, the owner will pursue the incident as fraud.

If any adult member of the family fails to meet with the owner/agent as requested, the owner/agent will initiate termination of tenancy (eviction) in compliance with HUD's guidance.

If any adult member of the family fails to meet with the owner/agent as requested, the owner/agent will initiate termination of tenancy (eviction) in compliance with HUD's guidance.

MISREPRESENTATION-

Any information, provided by an applicant that proves to be untrue may be used to disqualify the applicant family because of misrepresentation or attempted fraud.

The owner/agent will not take any action to reduce or deny assistance based on inconsistent information received during the verification process until the owner/agent has independently investigated the information. The owner/agent considers false information about the following to be grounds for rejecting an applicant family:

- Identity;
- Social Security Numbers/Information;
- Income/Assets/Income from Assets;
- Household Composition;
- Disability;
- Birth Date/Age;
- Citizenship, Naturalization, And/or Eligible Immigration Status;
- Eviction History;
- Criminal History;
- Sexual Offender Status;
- Eligibility for Preferences and Priorities;
- Allowances;
- Current/Previous Residence History;
- Current Housing Assistance;
- Status as A Student;

- Eligibility for the Phase-in Hardship Exemption.

Unintentional errors that do not cause preferential treatment will not be used as a basis to reject applicant families.

ERRORS CAUSED BY THE OWNER/AGENT, A SERVICE BUREAU OR OWNER/AGENT SOFTWARE-

If the owner/agent determines that an error was made and the family's income was over-reported, the owner must complete corrections to the prior certification(s) affected by the income change. Once the corrections have been made, the owner must determine the difference between the amount of rent paid and the rent that should have been paid.

- The owner/agent will request a meeting to discuss the error;
- The owner/agent will prepare corrections or new certifications that must be signed by all adult members;
- The owner/agent will provide the family with written notification, which includes:
 - A notice of the change in rent, effective retroactively to when the error occurred;
 - The new monthly rent the tenant is required to pay;
 - The amount of the overpayment of rent due; and
 - A form used by the family choosing whether to:
 - Receive a full refund; or
 - Apply the overpayment to future monthly rent payments.

Please note that any credit will be applied to any outstanding rent payment before calculating the amount due to the resident family.

APPLICANT SCREENING CRITERIA-

Screening is performed in a manner that is reasonable, consistent, and complies with fair housing laws. Screening is used to help ensure that households admitted to a property will abide by the terms of the lease, pay rent on time, take care of the property and unit, and allow all residents to peacefully enjoy their homes.

Anyone who wishes to live on the property must be screened prior to moving in. This includes, but is not limited to, live-in aides, security/police officers or additional household members wishing to move-in after the

Black Hills Works Tenant Selection Plan

initial move-in. *Certain exceptions apply to children/minors.* The current screening guidelines in place at the time the new household member applies will be used to determine eligibility for admission.

HUD has established standards that prohibit admission of:

- Any applicant family in which any member was evicted in the last three years from federally assisted housing for drug-related criminal activity;
- An applicant family in which any member is currently engaged in illegal use of drugs or for which the owner/agent has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other resident member.
- Any applicant family that includes household member who is subject to any state lifetime sex offender registration requirement (household member may be removed)

In addition to HUD requirements, the owner/agent has established a policy to reject all applicant families when any member of the applicant family has engaged in criminal activity as described in this document.

The owner/agent will reject Applications if any household member's criminal history includes one or more of the following:

- Criminal activities resulting in felony conviction involving violence, potential violence, destruction of property, human trafficking, terrorist activities, weapons charges or the illegal distribution or manufacture of an illegal or controlled substance. Applicant families that include members with this type of criminal history will be automatically denied. The owner/agent will meet with the applicant and the applicant's family and will consider extenuating circumstances if the conviction or exit from incarceration (whichever is later) occurred no less than ten (10) years before the date of Application and when no additional criminal activity is indicated.
- Criminal activities resulting in other felony convictions if the conviction or exit from incarceration occurred no less than ten (10) years before the date of Application. The owner/agent will consider extenuating circumstances when no additional criminal activity is indicated.
- A record of three or more separate instances where the applicant is involved in criminal activities resulting in felony conviction.
- Criminal activities resulting in misdemeanor convictions involving violence, potential violence, destruction of property, human trafficking, terrorist activities, weapons charges or the illegal distribution or manufacture of a controlled substance within five (5) years of conviction or exit from incarceration, whichever is later. The owner/agent will meet with the applicant and the applicant's family and will consider extenuating circumstances if the conviction or exit from incarceration (whichever is later) occurred no less than three (3) years before the date of Application and when no additional criminal activity is indicated.
- Criminal activities resulting in other misdemeanor convictions within three (3) years of conviction or exit from incarceration, whichever is later. The owner/agent will consider extenuating circumstances when no additional criminal activity is indicated.
- A record of three (3) or more separate instances where the applicant is involved in criminal activities resulting in misdemeanor convictions where the last conviction or exit from incarceration is within five (5) years.
- Any member of the applicant family is currently subject to registration under a state sex offender registration program. If the owner/agent determines that a registered sex offender is part of the applicant family, the owner/agent will allow the applicant family to remove the sex offender from the Application. Removal must be documented using a signed, notarized copy of the owner's form. The applicant family will have ten (10) business days to provide verification that the household member has alternative housing or that the household member has applied for alternative housing. Failure to provide such documentation will result in rejection of the applicant family. In this case, the owner/agent reserves the right to monitor household composition after move-in. If the owner/agent discovers that a sex offender has moved into the unit, assistance will be terminated, and the household will be evicted in accordance

Black Hills Works Tenant Selection Plan

with HUD requirements. Any assistance paid-in-error must be returned to HUD.

If the owner/agent is unable to complete the required criminal or sexual offender screening due to the applicant's failure to provide required information or release forms, the applicant family will be rejected.

If a resident or applicant has requested VAWA protections and such protections have been justified based on owner/agent investigation, the alleged abuser/perpetrator will not be approved to live on the property.

The owner/agent will review certain criminal history, based on HUD recommendations, for all adult household members at each Annual Recertification.

CRIMINAL SCREENING DISCOVERIES-

If the criminal background investigation results indicate that the applicant does not meet the criminal screening criteria, the owner/agent will reject the applicant in accordance with HUD guidance and the owner/agent's standards for applicant rejection.

Before rejecting the applicant family, the owner/agent will compare the information provided by the applicant with the criminal history report. If the information conflicts, the owner/agent will:

- Notify the applicant family of the proposed action based on the information;
- Provide the content of the criminal record and information about how to obtain a copy of the information;
- Provide the applicant with an opportunity to dispute the accuracy and relevance of the information obtained from any law enforcement agency;
- Allow the applicant family the opportunity to remove the household member.

In this situation, applicants will have ten (10) business days to contact the owner/agent and provide evidence to refute the criminal discovery. If the applicant fails to contact the owner/agent or indicates that he/she cannot provide documentation to refute the criminal discovery, the owner/agent will reject the Application and remove the applicant family from the waiting list.

If, after move-in, the owner/agent discovers that there was criminal history that would have resulted in rejection, the owner/agent will contact the resident to ascertain the accuracy of the criminal report. If the resident would have been rejected had the information been known at the time of the eligibility determination, the owner/agent will take appropriate action including notifying HUD's Office of the Inspector General of potential fraud and pursuing termination of tenancy (eviction).

SCREENING RENTAL HISTORY-

The owner/agent will review rental history with any landlord indicated in the past five (5) years. The owner/agent will also review information provided through automated databases including eviction databases. If any member of the applicant family has been evicted from any property, for lease violations, within the last five (5) years, the applicant family will be rejected.

If an applicant fails to identify one or more residences where he/she lived in the last five (5) years, the applicant family will be rejected and the applicant family will be removed from the waiting list.

The owner/agent will contact the prior property owner/agent (as indicated above) and make inquiries related to the applicant's rental history including, but not limited to:

- Adherence to the lease & community policies;
- Compliance with certification reporting requirements;
- Rental payment performance;
- Compliance with requirements to fully and accurately disclose income information in a timely manner;
- Requirement to return assistance paid in error due to under-reporting income or un-reported income;
- Unit maintenance/damage;

Black Hills Works Tenant Selection Plan

- Presence of bed bugs, head lice, roaches or other parasitic infestation;
- Record of disturbing neighbors;
- Complaints.

If information obtained is negative the applicant family will be rejected. Negative responses include, but are not limited to:

- Failure to comply with the lease;
- Failure to comply with House Rules, Pet & Assistance Animal Rules;
- Failure to fully and accurately report income, new employment or changes in household composition in a timely manner;
- Providing false information;
- Attempting to receive or receiving HUD assistance in multiple units/homes;
- Slow or no response to requests to recertify;
- Poor rental payment history (average more than two (2) late payments per year, record of bounced checks, any outstanding balance);
- Record of poor unit maintenance or damage to the unit beyond normal wear-and-tear;
- Presence of parasitic infestation unless all members of the applicant family agree to have all unit contents treated before move-in (*owner/agent will arrange for and pay for treatment*);
- Complaints from neighbors regarding actions that directly affect the peace and quiet comfort of others living in the community;
- Record of actions that interfered with or prevented the previous landlord from effectively managing the property;
- A current outstanding balance owed by any household member to a prior landlord;
- A current outstanding balance owed by any household member to HUD to return assistance paid in error;
- Refusal to execute or pay repayment agreements to return improper payments to HUD.

If the prior landlord will not or cannot provide information about an applicant's landlord history, the owner/agent will consider such history positive unless there is other evidence supporting a negative rental performance.

SCREENING FOR RECEIPT OF HUD ASSISTANCE IN ANOTHER UNIT – THE EIV EXISTING TENANT SEARCH –

All applicants **MUST** disclose if they are currently receiving HUD housing assistance. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit on this property. HUD provides the owner/agent with information about an applicant's current status as a HUD housing assistance recipient.

The owner/agent will use the **EIV Existing Tenant Search** provided via HUD's Enterprise Income Verification System (EIV) to determine if the applicant or any member of the applicant family is currently receiving HUD housing assistance. This includes minors and live-in aides.

Note: The owner/agent cannot review the Existing Tenant Search for applicants who are exempt from the Social Security Number disclosure requirements.

Nothing prohibits a HUD housing assistance recipient from applying to this property. However, each member of the applicant must complete move out from the current property and/or forfeit any voucher before HUD assistance on this property will begin. Special consideration applies to minor children where two assisted families share custody.

If an applicant fails to disclose rental history fully and accurately, the Application may be denied based on the applicant's "misrepresentation" of information and the applicant family will be removed from the waiting list. This information will be reviewed periodically after move-in.

Black Hills Works Tenant Selection Plan

If any household member receives or attempts to receive HUD housing assistance while receiving HUD housing assistance on this property, the household member will be required to return improper payments to HUD. This is considered a material lease violation and may result in penalties up to and including eviction and pursuit of fraud.

REJECTING INELIGIBLE OR UNQUALIFIED APPLICANTS –

The owner/agent reserves the right to reject applicants for admission based on any of the following:

- No unit of the appropriate size exists on the property;
- The applicant family fails to meet the HUD indicated eligibility requirements for the assistance program/property;
- Any non-exempt member of the applicant family fails to provide a Social Security Number or adequate documentation to verify the Social Security Number (SSN);
- Any member of the applicant family fails to meet the applicant screening requirements;
- Any member of the applicant family fails to sign appropriate verification documents;
- Misrepresentation;
- Fraud;
- Any member of the applicant family fails to respond to management inquiries for additional information during the Application process;
- Any member of the applicant family fails to provide changed household information to the management company as indicated;
- The owner/agent is unable to contact the applicant family via US Mail (letters undeliverable or returned) and/or by phone (number disconnected or changed);
- Any member of the applicant family has a record of eviction, for lease violations, from any property within the last three years;
- Any member of the applicant family has a record of outstanding or overdue payments to a previous landlord;
- Any member of the applicant family has a record of outstanding or overdue payments to HUD;
- Any member of the applicant family has a record of outstanding or overdue payments to utility providers;
- Any member of the applicant family refused to allow treatment of unit contents, at the cost of the owner/agent, when there is history of the presence of bed bugs, fleas, or other parasites;
- The applicant family is unable to establish utilities in the new unit;
- The applicant family is unable to pay the Security Deposit required;
- The applicant family is unable to take possession of the unit within 30 days;
- The applicant family is unable to pay the first month's rent (prorated if appropriate);
- The applicant family refuses two or more unit offers.

REJECTION NOTICES-

The owner/agent will promptly notify the applicant family (Head-of-Household (HOH)) of the denial of admission or assistance. A rejection will be sent to the Head-of-Household (HOH) via First Class Mail. The rejection letter will include the reason(s) for the rejection. It is up to the HOH to communicate with other adult family members. Any adult applicant may request an electronic or paper copy of the rejection letter.

APPEALING THE DECISION TO REJECT-

Any applicant may make a request to appeal the rejection within **fourteen (14) calendar days from the date of the rejection**. The appeal may be made in writing, via email or through an Applicant Portal. If the applicant appeals the rejection via email, the email must not contain any personally identifiable information such as a date of birth, Social Security Number, etc.

The owner/agent will accept the request in an equally effective manner, as a reasonable accommodation, if there is the presence of a disability. Such requests are to be submitted to the property management office.

If there is no appeal request **within fourteen (14) days**, the rejection will be considered final. Reasons to appeal include:

- Applicant believes the decision has been made in error;
- Applicant believes there are extenuating circumstances that should be considered;

Black Hills Works Tenant Selection Plan

- Any member of the applicant family is a survivor of abuse covered by the Violence Against Women Act and the applicant feels that status as a survivor of a VAWA crime contributes to the decision to deny;
- Any member of the applicant family is a person with a disability, and you believe a reasonable accommodation would allow us to continue processing the Pre-Application or Application;
- The applicant family was rejected because a member is someone who did not “pass” criminal screening or is a registered sex offender and the applicant family wishes to remove that household member.

Any staff person engaged in the initial review will not be involved in the appeal. Applicants may include a representative to assist in the appeal meeting. Applicants and/or their representatives have the right to request a reasonable accommodation to:

- Assist in facilitating your request for appeal.
- To assist in your participation during the appeal meeting.

The owner/agent will provide notification of a final decision within five (5) business days of the meeting.

OFFERING AN APARTMENT-

When a unit becomes available and eligibility is determined, available units will be offered using one or more of the following methods:

- In writing;
- Over the phone;
- By email;

If the owner/agent is unable to contact the household (Head-of-Household (HOH) within five (5) business days from the date of the letter, the offer will be cancelled, and the apartment will be offered to the next applicant family based on the selection criteria described in this plan.

Failure to respond to the owner/agent will be considered a refusal of the unit offer. (See Right to Refusal policies.)

OFFERING ACCESSIBLE UNITS-

Units that have been made accessible in accordance with the Universal Federal Accessibility Standards or the Americans with Disabilities Act Accessibility Guidelines will be offered to applicant families with disabled members first. In some cases, the owner/agent may implement marketing effort to ensure that disabled households occupy accessible units.

Units with communication accessible features will be offered to households with a verified need for communication accessible units first. Units with mobility accessible features will be offered to households with a verified need for mobility accessible units first.

After move-in, if the member(s) of the household who required the special features of the accessible unit no longer resides in the unit, and where the lease permits, the owner will require the remaining members of the household to move to a unit without accessibility features when such a unit of the appropriate size becomes available.

OFFERING UNITS TO APPLICANT FAMILIES REQUESTING ACCESSIBILITY FEATURES-

The owner/agent will not skip over a household that has reached the top of the waiting list and has indicated a need for certain unit features because of a disability.

The household will be given the opportunity to benefit from the program and decide, in compliance with the Fair Housing Act and Section 504, whether a unit meets the needs of the disabled household member. The household may accept the unit and request some modification to the unit as a reasonable accommodation. See Appendix A for information about requesting a reasonable modification.

Black Hills Works Tenant Selection Plan

OFFERING UNITS TO APPLICANT FAMILIES OR RESIDENTS WITH PREFERENCES-

Applicants/residents with preferences are selected from the waiting list and receive an opportunity for an available unit earlier than those who do not have a preference.

RIGHT TO REFUSAL-

The Right to Refusal Policy applies to applicant families and existing residents who have submitted a Unit Transfer Request. Residents requesting unit transfer and applicants will be offered available units based on the information included in this Resident Selection Plan.

Each household will be offered the opportunity to accept an offered apartment two (2) times. If a resident/applicant family does not wish to accept an offered apartment, they have the right to refuse the offer.

Residents /applicant families must notify the owner/agent of their intent to refuse the unit offer by using one or more of the following methods:

- In writing (delivered by fax, mail or other means);
- By email;
- Over the phone;
- Face to Face;

Note: If the refusal is made over the phone, contact must be made with a member of the management staff. Leaving a message is not adequate.

The first time an applicant family or resident refuses a unit, the unit will be offered to the next qualified household based on the selection order described above. The applicant family or resident will retain the same place on the waiting list. The second time an applicant family or resident refuses an offered unit, the household will be moved to the bottom of the waiting list.

Right to refusal policies will be modified in five cases:

1. If an applicant family requesting an accessible unit or a resident requesting an accessible unit is at the top of the waiting list, they will be offered units as they become available regardless of whether they include accessible features. A disabled household has the right to refuse an unlimited number of non-accessible units or units that do not meet specific accessibility requirements. Note: *Certain restrictions apply to non-elderly disabled households when HUD's program eligibility for the 202/8 program requires the need for an accessible unit.*
2. If an applicant family or resident household with no disabled members is at the top of the waiting list, and there are no disabled households on the waiting list, that household may be offered an accessible unit. An applicant family with no disabled household members has the right to refuse an unlimited number of accessible units or units that do not meet their needs.
3. Any applicant family may reject an available unit on a property set aside for the elderly and/or disabled if this unit is close to another unit with an animal. This action will not negatively affect the household's Application for occupancy or position on the waiting list to be eligible for the next available unit. The owner/agent is not obligated at the time the applicant family rejects a unit to provide an alternate unit.
4. An applicant or resident qualifies for a VAWA Emergency Transfer and the person who is a survivor of a VAWA crime or the person who is affiliated with the person who is a survivor of a VAWA crime does not consider the unit "safe".

TIMEFRAME FOR TAKING POSSESSION OF A UNIT

The applicant family must agree to take possession of a unit in no more than thirty (30) calendar days after accepting a unit offer unless the owner/agent provides an exception to this policy.

If the applicant family does not complete appropriate paperwork and does not take possession of the unit within thirty (30) days from accepting the offer, the applicant family will be subsequently rejected and removed from the waiting list. (Extenuating circumstances related to verified medical situations will be considered.)

Black Hills Works Tenant Selection Plan

The owner/agent reserves the right to refuse subsequent Applications. The unit will be offered to the next eligible applicant family/resident.

INTERIM RECERTIFICATION – REPORTING CHANGES BEFORE NEXT ANNUAL RECERTIFICATION (AR)-

Resident family composition, income and expenses are reviewed at least Annually.

Residents are required to report changes between Annual Recertification, based on requirements outlined in the HUD Model Lease and the House Rules. Changes that result in an income increase or removal of a member must be reported within 10 days.

The addition of a new resident (except minors) must be approved before the new member moves into the unit. Failure to notify the owner/agent before a new member is added is a material lease violation and may result in termination of tenancy. The addition of new minors must be reported as quickly as possible, but not later than the date the next rent payment is due after the minor is added.

If the change reported results in a decrease to family income, the owner/agent will process an Interim Recertification (IR), adjusting rent, when that reduction results in a decrease of the family's Annual Adjusted Income of 10% or more.

Based on the rules below, the owner/agent will submit an Interim Recertification, if the resident reports one or more changes resulting in a 10% increase to Annual Adjusted Income.

Changes to earned income will not be considered unless an Interim Recertification, reducing income, has been submitted since the last AR.

If the change is not related to earned income, and results in an increase of the family's Annual Adjusted Income of 10% or more, the owner/agent will complete an Interim Recertification adjusting rent. This is true unless the resident reports a change in a reasonable amount of time, in compliance with the owner/agent's policy, and the change is reported within 3 months of the next Annual Recertification Date.

The owner/agent will not consider any increases to earned income until the next AR. Residents are still required to report within 30 days as required by the lease and the owner/agent's policies.

If all adult family members comply with reporting requirements, rent changes will be implemented as follows:

1. Rent increases. If the rent increases, the owner will give the tenant 30 days advance notice of the increase. The effective date of the increase will be the first of the month after the end of the 30-day period.
2. Rent decreases. If the rent will decrease, the change in rent is effective on the first day of the month after the date of action (e.g., first of the month after the date of loss of employment.) A 30-day notice is not required for rent decreases.

If all adult family members do not comply with the reporting requirements, and the owner discovers the tenant has failed to report changes as required, the owner will implement rent changes as follows:

1. Rent increases. Owners must implement any resulting rent increase retroactive to the first of the month following the date that the action occurred.
2. Rent decreases. Any resulting rent decrease must be implemented effective the first rent period following completion of the recertification. The owner/agent will make rent decreases retroactive under certain circumstances. If extenuating circumstances exist (504, VAWA, LEP), the retroactive decrease is applied the later of:
 - a. The first of the month following the date of the change that led to the decrease; or
 - b. The first of the month following the effective date of the most recent full certification.

UNIT TRANSFER POLICIES-

The owner/agent will accept requests for transfer based on the following:

Black Hills Works Tenant Selection Plan

1. There is a need for a unit transfer because of a change in household size and/or composition;
2. There is a need for a unit transfer based on the verified need for an accessible unit;
3. There is a verified need for a reasonable accommodation or a verified medical need for a different unit;
4. There is a need for a unit transfer of a household that does not require the accessibility features of a unit in which they are living;
5. The resident has requested and qualifies for a VAWA Emergency Transfer;
6. The resident has requested and qualifies for a transfer based on imminent threat not associated with a VAWA crime;
7. The household has lived in the current unit for at least one year and wishes to move to a different unit.

Existing residents must complete a Unit Transfer Request. The Unit Transfer Request must be completed and signed by the head of the household and all adult household members who wish to move. The owner/agent will accept the Unit Transfer Request in an equally effective format, as reasonable accommodation, if there is the presence of a disability. Special consideration is given when the unit transfer is requested because:

- There is a verified need for a reasonable accommodation or a verified medical need for a different unit;
- There is a need for a unit transfer of a household that does not require the accessibility features of a unit in which they are living to accommodate a disabled resident /applicant on the waiting list;
- The resident has requested and qualifies for a VAWA Emergency Transfer;
- The resident has requested and qualifies for a transfer based on imminent threat not associated with a VAWA crime;
- There is a change in household size that makes the current unit too large or too small for the family based on the owner/agent's occupancy standards.

Except under specific circumstances, unit transfers will be granted only if:

- The household has not given notice to move;
- The resident is not being evicted;
- The resident is current for all outstanding charges;
- The resident has not entered into a repayment agreement for failing to fully and accurately report income or household composition;
- The resident has no record of more than one minor lease violation in the last 12 months;
- The resident has no record of any major lease violations;
- The resident complies with lease provisions regarding decent safe and sanitary conditions of the current unit.

A unit transfer request for a household whose size/composition has not changed since move-in (or most recent transfer transfer) will not be considered for at least one year.

A household living in an apartment too large for its needs will not be required to move if there are no applicant families waiting for the bedroom size to be vacated by the transfer.

An appropriately sized unit will be available before the resident household is required to move. At that time, the household will have thirty (30) days to complete the transfer or face termination.

SECURITY DEPOSIT & UNIT TRANSFERS-

When a resident transfers to a new unit with all other household members, the owner/agent will transfer the existing down payment to the new unit. The resident must pay for any damage charges within thirty (30) days.

SECURITY DEPOSIT-HOUSEHOLD SPLITS-

If the household "splits" and one or more residents remain in the original unit, the original down payment will remain with the original unit and a new down payment will be collected for the new unit.

If the household "splits" and one or more residents remain in the original unit, the original down payment will remain with the original unit and a new Security Deposit will be collected for the new unit.

Black Hills Works Tenant Selection Plan

Please note: Special consideration applies to people who are survivors of VAWA crimes or people who are affiliated with survivors of VAWA crimes – specifically when the accused perpetrator lives in the unit. Please review the VAWA policy – Lease Bifurcation - in Appendix D or contact property staff for additional information.

CHANGES IN HOUSEHOLD COMPOSITION-

ADDING HOUSEHOLD MEMBERS AFTER INITIAL OCCUPANCY

The owner/agent must approve any new adult household member **before** he/she moves into the unit. Eligibility criteria, screening criteria and compliance with occupancy standards will be reviewed before the new household member is approved or denied.

The request to add a new household member will not be considered if the resident has provided notice to vacate the unit. This helps prevent applicants from “jumping” ahead on the waiting list.

Any new adult household member will be considered an applicant and must participate in the eligibility determination and screening processes described in the Tenant Selection Plan in place at the time of the eligibility determination.

When a change in family composition is reported in Section 202/8 projects, adult children are eligible to move in after initial occupancy only if they are essential for the care or well-being of the elderly tenant(s). They are considered a part of the family, and their income must be counted.

The adult children are required to sign a release form relinquishing any future rights to the unit as a remaining member of the tenant family, as they qualify for occupancy only as long as the individual needing the supportive services is in occupancy.

The rent/assistance payment will be re-calculated to reflect any income or allowances for the new household member. If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the addition of the new household member.

This policy applies to live-in aides as well. Screening criteria will also be applied to live-in aides, **except for the criterion regarding credit performance or the ability to pay rent on time** because live-in aides are not responsible for rental payments.

However, live in aides must meet other screening criteria established by the owner/agent. Income and/or allowances received by live-in aides will not be considered.

Information about new household members who are minors must be provided to the owner/agent as quickly as possible but within no more than thirty (30) calendar days. This includes, as applicable, required eligibility information including Social Security Numbers, proof of citizenship or non-citizen eligibility and other pertinent information.

If the new household member is under the age of six, special consideration regarding Social Security Number disclosure and verification of Social Security Numbers is given. The household will be given ninety (90) calendar days to provide the Social Security Number and adequate documentation to verify the Social Security Number provided. In some cases, an additional ninety (90) days may be provided.

If the household fails to provide the required Social Security Number information within the allotted timeframe, the household’s assistance will be terminated in accordance with HUD requirements.

Black Hills Works Tenant Selection Plan

Each dependent child that lives in the unit may be eligible for a Dependent Deduction that decreases the monthly Tenant Rent. The rent payment will be re-calculated to reflect any income or allowances for the new household member.

If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the addition of the new household member.

Failure to notify the owner/agent about changes in household composition as described above may result in retroactive rent changes and/or termination of subsidy/tenancy for the entire household. Please contact the owner/agent or property staff if you have questions about this policy.

REMOVING HOUSEHOLD MEMBERS AFTER INITIAL OCCUPANCY-

Residents must notify the owner/agent if any household member listed on the lease or on HUD Form 50059 leaves the unit. This notification must occur as quickly as possible but within no more than thirty (30) calendar days.

Upon notice, the rent payment will be re-calculated to remove any income or allowances for the previous household member. If the rent increases, the increase will take effect the first of the month following delivery of a 30-day notice of change to rent. If the rent decreases, the decrease will take effect the first of the month following the removal of the household member.

Failure to provide notice to the owner/agent, within thirty (30) days, could result in rent increases retroactive to the first of the month after the household member left. Subsidy paid in error will be returned, as required, to the Department of Housing & Urban Development.

If the resident fails to notify the owner/agent of a change in household composition within thirty (30) calendar days, and that change would result in a rent decrease, the owner/agent will make the decrease effective the first of the month following the notice. No retroactive rent credits will be returned to the resident.

Failure to notify the owner/agent about changes in household composition may result in termination of subsidy and/or tenancy for the entire household. Please contact the owner/agent if you have questions about this policy.

APARTMENT INSPECTIONS-

All apartments must undergo periodic inspection conducted by the on-site management team, HUD or HUD's representatives/agents. These inspections include not only interior but also exterior inspections. Residents have the right to be present, and are, in fact encouraged, to be present during unit inspection.

The move-in inspection is an opportunity to familiarize the new resident with the property and the unit, as well as to document its current condition. By performing move-in inspections, the owner/agent and residents are assured that the unit is in livable condition and is free of damages. A move-in inspection gives the owner/agent an opportunity to familiarize residents with the operation of appliances and equipment in the unit.

The move-out inspection is conducted when a household vacates a unit. The owner/agent will list the damages on the Unit Inspection Form and compare it with the Unit Inspection Form completed at move-in to determine if there is any damage or excessive wear-and-tear.

In addition, the owner/agent will perform unit inspections on at least an annual basis to determine whether the appliances and equipment in the unit are functioning properly and to assess whether a component needs to be repaired or replaced. This is also an opportunity to determine any damage to the unit and, if so, make the

Black Hills Works Tenant Selection Plan

necessary repairs. At this time, residents may be charged for damages to the unit so long as those damages are not the result of normal wear-and-tear.

HUD, or its authorized contractor(s), has the right to inspect the units and the entire property to ensure that the property is being well maintained. These inspections assure HUD that owners and their agents are fulfilling their obligations under the regulatory agreements and/or subsidy contracts and that residents are provided with decent, safe, and sanitary housing.

CHANGES TO THE TENANT SELECTION PLAN-

Applicant families will be notified in writing when the Tenant Selection Plan undergoes significant change or when preferences are added or removed. At that time, applicant families will be:

1. Given an opportunity to review the new plan;
2. Notified of changes to preferences;
3. Asked if they wish to remain on the waiting list.

If the applicant family does not respond, that household will be deemed ineligible and removed from the waiting list. The current Tenant Selection Plan, in place at the time of final eligibility determination, will be used to make a final decision to approve or reject the Application.

Black Hills Works Tenant Selection Plan

APPENDIX A – REQUEST FOR REASONABLE ACCOMMODATION OR MODIFICATION-

The owner/agent is committed to complying with the Fair Housing Act and Section 504 of the Rehabilitation Act by ensuring that its policies and practices do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities in connection with the operation of housing services or programs solely on the basis of such disabilities.

If an individual with a disability requests an accommodation or modification, the owner/agent will fulfill these requests, unless doing so would result in a fundamental alteration in the nature of the program or create an undue financial and administrative burden. In such a case, if possible, the owner/agent will offer an alternative solution that would not result in a financial or administrative burden.

The owner/agent informs all applicants/residents that, at any time, the applicant/resident or a person acting on behalf of the applicant/resident may make a request for reasonable accommodation or modification for an individual with a disability.

At the time of Application, all applicants may review the Reasonable Accommodation Modification (RAM) Policy. The RAM Policy is also provided in an electronic or paper format upon the applicant's request.

All applicants/residents may request a Reasonable Accommodation/Modification (RAM) Request Form when requesting a reasonable accommodation or modification. The request will be accepted in an equally effective format, as a reasonable accommodation, if there is the presence of a disability. A resident or applicant may submit the request in writing, electronically or orally, or use another equally effective means of communication to request an accommodation or modification.

Residents and applicants may contact the management office located within their property for information about requests.

The owner/agent will provide an initial reply to requests as quickly as possible, but no more than ten (10) business days from the receipt of the request unless the owner/agent explains the delay. Response may include but is not limited to:

1. Request Approval
2. Request Denial
3. Request for Additional Information or Verification of Need

The owner/agent will consent to or deny the request as quickly as possible. Unless the owner/agent explains the delay, the applicant/resident will be notified of the decision to consent or deny within no more than thirty (30) calendar days after receiving all necessary information and documentation from the resident and/or appropriate verification sources. All decisions to grant or deny reasonable accommodation will be communicated in writing or, if required/requested, in an alternative format.

Exceptions to the thirty (30) day period for notification of the owner/agent's decision on the request will be provided to the resident setting forth the reasons for the delay.

If the request for reasonable accommodation or modification is denied, the requestor has the right to appeal the decision within ten (10) business days of the date of the notification of denial. The appeal meeting will be conducted by a person who was not originally involved in the decision to deny.

Black Hills Works Tenant Selection Plan

APPENDIX B – CITIZEN/NON-CITIZEN ELIGIBILITY-

Applicants are required to declare U.S. Citizenship or submit evidence of eligible immigration status for each of household member seeking housing assistance. The owner/agent is required to obtain the following documents:

1. Family Summary Sheet (lists all household members who will reside in the assisted unit)
2. Citizenship Declaration (Each household member listed on the Household Summary Sheet must complete)
3. Forms and/or evidence of citizen/immigration status

If you have any questions or difficulty in providing the described information or determining the type of documentation required, please contact the management office. If you are unable to provide the required documentation in the timeframe indicated, you must contact the management office and request an extension. If you fail to provide this information, the owner/agent cannot provide assistance.

The owner agent will offer the household assistance, providing subsidy to those household members whose documents were received on time when the following criteria is met:

1. Assistance/unit is available
2. The household has come to the top of the waiting list
3. At least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible based on all of the criteria in this Resident Selection Plan

If any household member is determined to be an ineligible non-citizen, either at Application or after move-in, assistance may be prorated or terminated.

REQUIRED DOCUMENTATION-

The owner/agent must obtain the following documentation for each household member regardless of age:

- From U.S. citizens, a signed declaration of citizenship. The owner/agent requires verification of the declaration. The following documents will be accepted as proof of citizenship
 - o United States (U.S.) Passport
 - o U.S. birth certificate
 - o Other documentation as provided by HUD or DHS
- From non-citizens claiming eligible status who is 62 or older:
 - o A signed declaration of eligible immigration status and
 - o Proof of age
- From non-citizens claiming eligible status who is not 62 or older:
 - o A signed declaration of eligible immigration status **and**
 - o A signed consent form **and**
 - o One of the DHS-approved documents
 - Form I-551, *Permanent Resident Card*.
 - Form I-94, *Arrival-Departure Record* annotated with one of the following:
 - “Admitted as a Refugee Pursuant to Section 207”;

 - “Paroled Pursuant to Section 212(d)(5) of the INA.”
 - Form I-94, *Arrival-Departure Record* (with no annotation) accompanied by one of the following:
 - A final court decision granting asylum (but only if no appeal is taken);
 - A letter from an DHS asylum officer granting asylum (if Application was filed on or after October 1, 1990) or from an DHS district director granting asylum (Application filed was before October 1, 1990);
 - A court decision granting withholding of deportation; or
 - A letter from an asylum officer granting withholding of deportation (Application was filed on or after October 1, 1990).

Black Hills Works Tenant Selection Plan

- A receipt issued by the DHS indicating that a Application for issuance of a replacement document in one of the above-listed categories has been made and that the applicant's entitlement to the document has been verified.
- Other acceptable evidence.

If other documents are determined by the DHS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the Federal Register.

TIMEFRAMES FOR SUBMITTING EVIDENCE OF CITIZENSHIP/IMMIGRATION STATUS TO THE OWNER/AGENT-

Applicants must submit required documentation of citizenship/immigration status no later than the date the owner/agent initiates verification of other eligibility factors. Owner/agents determine the applicant's citizenship or immigration status during the final eligibility determination prior to move-in.

If the applicant cannot supply the documentation within the owner/agent's specified timeframe, the owner/agent **may** grant the applicant an extension of not more than thirty (30) days, **but only if** the applicant certifies that the documentation is temporarily unavailable and additional time is needed to collect and submit the required documentation. (Although the extension period may not exceed thirty (30) days, the owner/agent may establish a shorter extension period based on the circumstances of the individual case.)

The owner/agent will inform the applicant if an extension request is granted or denied. If the request is granted, the owner/agent will include the new deadline for submitting the documentation. If the request is denied, the owner/agent will state the reasons for the denial in the response. When granting or rejecting extensions, the owner/agent will treat applicants consistently.

REVIEWING AND VERIFICATION OF A HOUSEHOLD'S CITIZENSHIP/IMMIGRATION STATUS--

Owner/agents will conduct primary verification through the (Systematic Alien Verification for Entitlements) SAVE ASVI database - the Department of Homeland Security (DHS) automated system.

After accessing the ASIV database, the owner/agent enters the required data fields. The system will display one of the following messages for immigration status confirmation on the screen.

- Lawful Permanent Resident
- Temporary Resident
- Conditional Resident
- Asylee
- Refugee
- Cuban\Haitian Entrant
- Conditional Entrant

Secondary verification. If the message "institute secondary verification" is displayed on the screen, the manual verification process must be used.

Within ten (10) days of receiving an "Institute Secondary Verification" response, the owner/agent will prepare DHS Form G-845S, *Document Verification Request*. The owner/agent will send DHS Form G-845S and photocopies of the DHS documents submitted by the applicant to the DHS office serving the property's jurisdiction.

The DHS will return to the owner/agent a copy of DHS Form G-845S indicating the results of the automated and manual search.

Black Hills Works Tenant Selection Plan

NOTIFICATION TO NONCITIZEN APPLICANTS-

Owner/agents will notify households in writing that they are:

- Eligible for assistance
- Eligible for partial assistance, as a mixed household

The owner/agent will notify applicants and/or residents if they are found to be ineligible based upon the Noncitizen Rule.

MIXED HOUSEHOLDS-

A mixed household—a household with one or more ineligible members and one or more eligible household members—may receive:

- Prorated assistance
- Continued assistance

APPEALING DETERMINATIONS OF INELIGIBILITY-

The owner/agent will notify the household in writing as soon as possible if the secondary verification process returns a negative result.

The applicant or resident has thirty (30) days from receipt of the notice to choose which option to follow.

The applicant or resident may appeal the owner/agent's decision directly to the DHS. The applicant or resident must send a copy of the appeal directly to the owner/agent. The DHS should respond to the appeal within thirty (30) days.

If the DHS decision results in a positive determination of eligibility, the owner/agent can provide the appropriate housing assistance. If the DHS decision results in a negative determination of eligibility, the household has **thirty (30) days** to request a hearing with the owner/agent.

PROHIBITION AGAINST DELAY OF ASSISTANCE-

Owner/agents may not delay the household's assistance if the applicant or resident submitted immigration information in a timely manner but the DHS verification or appeals process has not been completed.

If a unit is available, the household has come to the top of the waiting list, and at least one member of the household has submitted the required documentation in a timely manner and has been determined to be eligible, the owner/agent will offer the household a unit and provide full assistance to those household members whose documents were received on time. The owner/agent will continue to provide full assistance to such households until information establishing the immigration status of any remaining non-citizen household members has been received and verified.

Black Hills Works Tenant Selection Plan

APPENDIX C – VERIFICATION OF HOUSEHOLD COMPOSITION-

In compliance with HUD's Rental Housing Integrity Improvement Project (RHIIP), the owner/agent will make every effort to ensure that the correct assistance is provided to those who seek housing assistance.

If an applicant family indicates that one or more members should be removed from the Application, the owner/agent will accept such notification from the Head-of-Household (HOH) if it is provided on a notarized form provided by the owner agent. The following rules apply.

If the applicant family is being rejected because a member is registered as a sex offender in any state lifetime sex offender registry, the owner/agent will take extra steps to ensure that the sex offender is not housed in any unit on the property. The household will have to provide documentation to prove that the sex offender will live at another location. Acceptable documentation includes, but is not limited to:

- Confirmation from a landlord with copy of an executed lease;
- Confirmation from local police;
- Confirmation from anyone who maintains sex offender registries including but not limited to:
 - Dru Sjodin Sex Offender Registry
 - Megan's List
 - State or Federal Sex Offender Registries
- New driver's license with new address.

Information will be confirmed for up to one year after move-in.

If it is discovered that the household allowed any registered sex offender to live in the unit, residents must understand that the family is not qualified to receive subsidy or live on the property. Any improper payments must be returned to HUD. Because this is a material lease violation, all household members must vacate the unit within 30 days.

One of the key requirements, at Application and during residency, is to disclose who will be living in the unit at any given time. It is important to understand the difference between a resident and a guest.

Resident: A resident is any person who is listed on the Application, on any Family Summary submitted and, on the lease, who will reside in the unit.

Guest: A guest is a person who visits any resident and may stay overnight no more than thirty (30) consecutive nights in a one-year period and may stay overnight no more than ninety (90) non-consecutive nights in any one-year period without express consent of the owner/agent.

If the owner/agent suspects that a guest should actually be classified as a resident, the owner/agent will request a meeting with the Head-of-Household (HOH).

In accordance with HUD requirements, the resident will have ten (10) days to meet with the owner/agent. Failure to respond to the request to meet will result in termination of assistance beginning the first of the month following the 10-day notice.

If the owner/agent suspects that a guest is actually living in the unit, the owner/agent will ask for verification of alternative residence. Samples of such verification include one or more of the following:

- Verification with the United States Postal Service that no mail, for the guest, is delivered to the unit

Black Hills Works Tenant Selection Plan

address;

- *A current driver's license for the "guest" with an alternative address;
- *A current lease indicating an alternative residence;
- *A current utility bill in the person's name showing an alternative address;
- *A current insurance policy or other such invoice/bill showing an alternative address.

**Current means issued/created within the last thirty (30) days.*

In addition, the resident(s), indicated on the lease, must sign a notarized statement confirming that the guest does not violate the guest policy as indicated above and does not reside in the unit.

Live-in Aides: A live-in aide must meet HUD's definition of a live-in aide:

1. Is essential to the care and well-being of the resident
2. Is not dependent on the resident for support
3. Is only living in the unit to provide essential support

If a resident or applicant requests a live-in aide, the owner/agent is required to verify the need for a live-in aide using third-party verification.

Live-in Aides are required to complete the Live-in Aide Questionnaire. The information on the Live-in Aide questionnaire will be verified and the prospective live-in aide will be screened in accordance with the Resident Selection Plan in place at the time of review. The live-in aide will not be screened for the "ability to pay rent" since the live-in aide is not responsible for rent payment.

The live-in aide must be approved and must accept the House Rules and sign the HUD-approved Live-in Aide Addendum before move-in. The owner/agent must sign a revised 50059 before the live-in aide is allowed to move-in.

If a live-in aide moves in prior to screening and prior to signing required forms, the owner/agent will issue a notice of lease violation and may pursue other action including, but not limited to eviction of the live-in aide, termination of assistance and/or termination of tenancy.

Children/Minors: At move-in, all non-exempt household members, including children, must have a Social Security Number and adequate documentation to verify the Social Security Number.

When children are later added to the household, the following will be required.

For children who are born, adopted or in foster care or in another legal custodial relationship with an existing household member, the owner/agent requires the following:

- Social Security Number and proof that the number is valid;

 - An additional ninety (90) may be provided if extenuating circumstances exist.

- Two forms of proof that the child resides with a member of the household;

The owner/agent does not and will not establish policies intended to exclude children. The owner/agent will be the final judge of what is considered adequate documentation proving household composition/residency.

APPENDIX D – FAIR HOUSING & OTHER CIVIL RIGHTS PROTECTIONS -

FAIR HOUSING-

The Fair Housing Act prohibits discrimination in housing and housing related transactions based on race, color, religion, sex, national origin, disability, and familial status.

In addition, the state of South Dakota has added Fair Housing protections based on The Fair Housing Act protects people from discrimination when they are renting or buying a home, getting a mortgage, seeking housing assistance, or engaging in other housing-related activities.

The Fair Housing Act prohibits discrimination in housing because of:

- Race
- Color
- National Origin
- Religion
- Sex (including gender identity and sexual orientation)
- Familial Status
- Disability

TITLE VI OF THE CIVIL RIGHTS ACT OF 1964-

The owner/agent complies with Title VI of the Civil Rights Act of 1964 which prohibits discrimination based on race, color, or national origin in any program or activity receiving federal financial assistance from HUD.

SECTION 504 OF THE REHABILITATION ACT OF 1973-

The owner/agent complies with Section 504 of the Rehabilitation Act of 1973 which prohibits discrimination, based on the presence of a disability in all programs or activities operated by recipients of federal financial assistance.

Although Section 504 protections often overlap with the disability discrimination prohibitions included in the Fair Housing Act, Section 504 differs in that it imposes broader affirmative obligations to make their programs accessible to persons with disabilities.

REQUESTS FOR REASONABLE ACCOMMODATION OR MODIFICATION-

In accordance with the Fair Housing Act and Section 504 of the Rehabilitation Act, the owner/agent will make reasonable accommodations or modifications for individuals with disabilities (applicants or residents) unless these modifications would change the fundamental nature of the housing program or result in undue financial and administrative burden. Please see Appendix A for additional information.

LIMITED ENGLISH PROFICIENCY-

Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency (LEP)" requires the owner/agent to develop and implement a system to provide housing assistance so persons with Limited English Proficiency (LEP) can have meaningful access to assisted housing opportunities.

The owner/agent will provide for such meaningful access consistent with, and without unduly burdening the fundamental mission of the property. The owner/agent will work to ensure that people who apply for and/or qualify for housing assistance are provided meaningful access to HUD's housing assistance program.

THE EQUAL ACCESS RULE-

The owner/agent ensures that HUD's core housing programs are open to all eligible persons regardless of sexual orientation, gender identity or marital status in accordance with *The Equal Access Rule*.

Black Hills Works Tenant Selection Plan

THE SEXUAL HARRASSMENT IN FAIR HOUSING INITIATIVE-

Sexual harassment in housing includes demands for sex or sexual acts in order to buy, rent or continue renting a home. It also includes other unwelcome sexual conduct that makes it hard to keep living in or feel comfortable in your home. Applicants and residents are encouraged to contact the property management staff or the owner/agent if they feel that they have been subjected to sexual harassment by any landlord, property manager, maintenance staff or other people who have control over housing.

PROTECTIONS PROVIDED UNDER THE VAWA-

Please see the Property VAWA Policy for a more detailed explanation of the process used to assist you in exercising protections provided under VAWA.

The Violence Against Women Act (VAWA) provides protections to women or men who are applicant to or residents of any “covered housing program” and who are the survivors of domestic violence, dating violence, sexual assault and/or stalking – collectively referred to as VAWA crimes. The owner/agent understands that, regardless of whether state or local laws protect survivors of VAWA crimes, people who have survived violence have certain rights under federal fair housing regulation.

This policy is intended to support or assist survivors of VAWA crimes and protect survivors, as well as affiliated persons, from being denied housing or from losing their HUD assisted housing as a consequence of their status as a survivors of VAWA crimes.

VAWA protections are provided to affiliated persons which are defined as follows:

1. A spouse, parent, brother, sister, or child of the survivor, or a person to whom the survivor stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of the survivor); or
2. Any individual, resident/applicant, or lawful occupant living in the household of that individual.

Other than what is described above, VAWA protections are not provided to guests, unauthorized resident, or service providers (including live-in aides) hired by the resident.

VAWA ensures that survivors are not denied housing and housing assistance is not terminated solely because the person is a survivor of a VAWA crime.

Unless such requirements interfere with protections provided under the VAWA, being a survivor of a VAWA crime is not reason to change the screening requirements set forth in the Tenant Selection Plan.

For example: An owner/agent may waive the requirement to review landlord history for an applicant if the survivor has provided necessary documentation to certify their status as a survivor of a VAWA crime and if contacting a previous landlord would put the applicant's location at risk of exposure to the accused perpetrator/imminent danger.

Eligibility requirements for housing programs cannot be modified. Being a survivor of a VAWA crime does not automatically make a person eligible for housing assistance.

Being a survivor of a VAWA crime is not reason to waive requirements set forth in the HUD Model Lease or in any lease attachment or HUD approved lease addendum unless being a survivor of a VAWA crime was the cause of the lease violation.

For example: An owner/agent may waive the requirement for a 30-day notice to vacate if the survivor has provided necessary documentation to certify their status as a survivor of a VAWA crime and the resident wishes to move to elude the accused perpetrator.

Black Hills Works Tenant Selection Plan

When applicable, the resident will be required to work with the owner/agent to reduce the likelihood of future lease violations.

The owner/agent will not assume that any act is a result of abuse covered under the Violence Against Women Act. In order to receive the protections outlined in the VAWA, the applicant/resident must specify that he/she wishes to exercise these protections. If any applicant or resident wishes to exercise the protections provided in the VAWA, he/she should contact the owner/agent or the property staff immediately.

CONFIDENTIALITY

The owner/agent is committed to ensuring that the Privacy Act is enforced in this and all other situations.

HUD Form 5380 *Notice of Occupancy Rights under the Violence Against Women Act* provides notice to the resident/applicant of the confidentiality of information about a person seeking to exercise VAWA protections and the limits thereof. The identity of the survivor and all information provided to the owner/agent relating to the incident(s) of abuse covered under the VAWA will be retained in confidence.

Information will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is

1. Requested or consented to by the survivor in writing for a limited period of time; or
2. Required for use in an eviction proceeding or termination of assistance; or
3. Otherwise required by applicable law.

The owner/agent will retain all documentation relating to an individual's domestic violence, dating violence, sexual assault and/or stalking in a separate file that is kept in a separate secure location from other applicant or resident files.

REQUESTS & CERTIFICATION

The person seeking VAWA protections may make a request for VAWA accommodation in any reasonable manner. The resident/applicant may:

- Complete a VAWA Request Form provided by the owner/agent;
- Submitted a request (*including email but not texting*);
- Make a personal (oral) request either in person or via phone/Facetime, etc.

Once a request is made, the owner/agent requires that the applicant certifies their status as a survivor of a VAWA crime or as a person affiliated with a survivor of a VAWA crime using one of the following methods. Applicants and residents decide which of the following methods is used to certify their status as a survivor of a VAWA crime or as someone affiliated with a survivor of a VAWA crime.

When the owner/agent responds to a request to exercise protections provided under the VAWA, the owner/agent will request that an individual provide HUD Form 5382 *Certification as a Victim of Domestic Violence, Dating Violence, Stalking or Sexual Assault* to certify status as a VAWA survivor or as a person affiliated with a VAWA survivor. The person seeking VAWA protections may obtain this form from the property staff or from HUD's web site.

The owner/agent understands that the delivery of the certification form to the applicant/resident via mail may place the survivor at risk, (e.g., the accused perpetrator may monitor the mail). The owner/agent will work with the applicant/resident in making acceptable delivery arrangements.

Black Hills Works Tenant Selection Plan

Alternatively, if the applicant/resident has sought assistance in addressing domestic violence, dating violence, sexual assault and/or stalking from a federal, state, tribal, territorial jurisdiction, local police or court, the resident may submit proof of this outreach in lieu of the certification form.

The owner/agent will accept a federal, state, tribal, territorial, or local police record or court record other official record documenting status as a survivor of a VAWA crime or a person affiliated with a survivor of a VAWA crime as defined in this policy.

The owner/agent will also accept a document signed and attested to by a professional (*employee, agent or volunteer of a survivor service provider, an attorney, medical personnel, etc.*) from whom the person seeking VAWA protections has sought assistance in addressing domestic violence, dating violence, sexual assault and/or stalking or the effects of the abuse. This document must be signed by the applicant/resident.

The signatory attests under penalty of perjury that he/she believes it is the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under the VAWA, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking.

Based on HUD's instruction above, the statement must be signed, dated, and notarized or witnessed, and must include the following language:

Name of person seeking protections has worked with me to receive assistance in addressing domestic violence, dating violence, sexual assault and/or stalking or the effects of the abuse.

Name of professional providing documentation believe it is the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under the VAWA, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking

Title 18, Section 1001 of the U.S. Code states that a person is guilty of a felony for knowingly and willingly making false or fraudulent statements to any department of the United States Government, HUD, the PHA and any owner (or any employee of HUD, the PHA or the owner) may be subject to penalties for unauthorized disclosures or improper uses of information collected based on the consent form. Use of the information collected based on this verification form is restricted to the purposes cited above. Any person who knowingly or willfully requests, obtains or discloses any information under false pretenses concerning an applicant or participant may be subject to a misdemeanor and fined not more than \$5,000. Any applicant or participant affected by negligent disclosure of information may bring civil action for damages, and seek other relief, as may be appropriate, against the officer or employee of HUD, the PHA or the owner responsible for the unauthorized disclosure or improper use. Penalty provisions for misusing the social security number are contained in the Social Security Act at 208 (a) (6), (7) and (8). Violation of these provisions are cited as violations of 42 U.S.C. 408 (a) (6), (7) and (8).

The information provided above is true and is based on my knowledge of incidents involving domestic violence, dating violence, sexual assault or stalking.

Signed and dated by person providing certification: _____

I acknowledge that submission of false information is a basis for denial of admission, termination of assistance, or eviction. In addition, providing false information may prompt the owner/agent to notify HUD and pursue civil action related to fraud based on HUD requirements. I am requesting to exercise protections provided through the VAWA because I am a survivor of domestic violence, dating violence, stalking and/or sexual assault (VAWA crimes) or I am a person affiliated with someone who is a survivor of a VAWA crime as defined in this document.

Black Hills Works Tenant Selection Plan

Signed and dated by person seeking VAWA protections:

The owner/agent can provide you with a form that can be used to fulfill this requirement.

The person seeking VAWA protections will have thirty (30) calendar days from the date of the request to provide certification using any of the options above.

This certification may be submitted in an equally effective manner, as a reasonable accommodation, if there is the presence of a disability.

If the owner/agent receives documentation that contains conflicting information (*including certification forms from two or more members of a household each claiming to be a survivor and naming one or more of the other petitioning household members as the perpetrator*), the owner/agent will require an applicant or tenant to submit third-party documentation, as described above in Option 2 or Option 3, within thirty (30) calendar days of the date of the request for the third-party documentation.

To ensure that a person is not wrongly accused of committing an act covered under the VAWA, the owner/agent will carefully evaluate abuse claims as to avoid denial, termination of assistance, termination of tenancy or eviction based on false or unsubstantiated accusations.

The owner/agent will review and respond to requests to exercise protections provided under the VAWA as quickly as possible but within no more than ten (10) business days of receiving all required documentation. The owner/agent may provide the response in any manner acceptable to the survivor and the owner/agent. Responses include:

- Approval of the Request for a specific VAWA accommodation
- Denial of the Request for a specific VAWA accommodation
- Request for additional information or Request to Meet

If the request is denied, the person seeking VAWA protections will have the right to appeal. Requests to appeal must be received within ten (10) business days of the date of the denial. When requested, the appeal will be held with someone who was not involved in the original decision to deny. The owner/agent will grant a reasonable accommodation when there is the presence of a disability.

LEASE BIFURCATION

If the owner/agent determines that physical abuse caused by a resident is clear and present, the law provides the owner/agent the authority to bifurcate a lease (*i.e., remove, evict, or terminate housing assistance to any accused perpetrator*), while allowing the survivor, who lawfully occupies the home, to maintain tenancy.

The owner/agent may attempt to evict the accused perpetrator, but residents should know that state/local tenant/landlord laws prevail and the owner/agent must comply with such laws. The owner/agent cannot guarantee that a court will award or enforce an eviction.

The resident must keep in mind that eviction of or termination action must be in accordance with the procedures prescribed by federal, state, and local law. The owner/agent is committed to attempting to assist the survivor and persons affiliated with the survivor, however, evictions are generally carried out through the court system and the owner/agent cannot override or circumvent a legal decision.

In the event that one household member is removed from the unit because of engaging in acts of domestic violence, dating violence, sexual assault and/or stalking against another household member, an appropriate

Black Hills Works Tenant Selection Plan

certification will be processed reflecting the change in household composition. Special consideration will be given if the remaining household members are not qualified to remain in the unit as a “remaining household member”.

LEGAL ACTION-

Victims are encouraged to seek police/legal protection from their accused perpetrator. In some cases, the owner/agent may file a restraining order against the accused perpetrator to prevent the accused perpetrator from entering the property.

The VAWA does not limit the authority of an owner/agent, when notified of a court order, to comply with a court order with respect to:

- The rights of access or control of property, including civil protection orders issued to protect a survivor of domestic violence, dating violence, sexual assault, or stalking; or
- The distribution or possession of property among members of a household.

NEW VAWA LANGUAGE UPDATED TO COMPLY WITH VAWA REAUTHORIZATION 2022

NONRETALIATION-

The owner/agent will not discriminate against any person because that person has opposed any act or practice made unlawful by the Violence Against Women Act or because that person testified, assisted, or participated in any matter related to the Violence Against Women Act or a VAWA crime.

NONCOERCION-

The owner/agent shall not coerce, intimidate, threaten, or interfere with, or retaliate against, any person in the exercise or enjoyment of, on account of the person having exercised or enjoyed, or on account of the person having aided or encouraged any other person in the exercise or enjoyment of, any rights or protections under the Violence Against Women Act including:

1. Intimidating or threatening any person because that person is assisting or encouraging a person entitled to claim the rights or protections under the Violence Against Women Act.
2. Retaliating against any person because that person has participated in any investigation or action to enforce the Violence Against Women Act.

PROTECTION TO REPORT CRIMES FROM HOME-

Owner/agents, residents, occupants, service providers, guests and applicants:

1. Shall have the right to seek law enforcement or emergency assistance on their own behalf or on behalf of another person in need of assistance; and
2. Shall not be penalized based on their requests for assistance or based on criminal activity of which they are a survivor or otherwise not at fault under statutes, ordinances, regulations, or policies adopted or enforced by covered governmental entities. Prohibited penalties include:
 - a. Actual or threatened assessment of monetary or criminal penalties, fines, or fees.
 - b. Actual or threatened eviction.
 - c. Actual or threatened refusal to rent or renew tenancy.
 - d. Actual or threatened refusal to issue occupancy permit or landlord permit.
 - e. Actual or threatened closure of the property, or designation of the property as a nuisance or a similarly negative designation.

TERMINATION OF TENANCY OR TERMINATION OF ASSISTANCE-

The VAWA does not limit an owner/agent’s authority to deny, evict or terminate assistance to a resident/applicant for any violation that is not the result of an act of domestic violence, dating violence, sexual assault, or stalking.

Black Hills Works Tenant Selection Plan

The owner/agent will not subject the resident/applicant, who is a survivor of domestic violence, dating violence, sexual assault, or stalking, or is affiliated with an individual who is a survivor of domestic violence, dating violence, sexual assault or stalking, to a more demanding standard than other resident/applicants in determining whether to evict or terminate assistance.

The VAWA does not limit an owner/agent's authority to deny, terminate assistance to, or evict a resident/applicant under a covered housing program when the owner/agent can demonstrate an actual and imminent threat (*to other resident/applicants or those employed at or providing service to property of the covered housing provider*) would be present if that resident/applicant or lawful occupant is not evicted/terminated. In this context, words, gestures, actions, or other indicators will be considered an "actual and imminent threat" if they meet the standards provided in the definition of "actual and imminent threat".

*Note: **Actual and imminent threat** refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: The duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.*

Determinations about the presence of imminent danger will not be based on stereotypes but will be tailored to particularized concerns about individual residents.

The owner/agent will take into account individual circumstances when making a determination to terminate tenancy; such circumstances might include, among other things, the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, and whether the leaseholder, if not the wrongdoer, took all feasible steps to prevent the offending action from occurring and has removed the offending person from the lease or otherwise banned the offending person from the premises in the future.

Any eviction or termination of assistance will be initiated only when there are no other actions that could be taken to reduce or eliminate the threat. Examples of such action include, but are not limited to:

- Transferring the survivor to a different unit when doing so would reduce or eliminate the threat – *Also see Addendum A for information about VAWA Emergency Transfers;*
- Barring the perpetrator from the property;
- Contacting law enforcement to increase police presence;
- Develop other plans to keep the property safe; or
- Seeking other legal remedies to prevent the perpetrator from acting on a threat.

LEASE ADDENDUM

The HUD approved lease addendum will be implemented and provided in accordance with HUD guidance.

VAWA EMERGENCY TRANSFERS

The OWNER/AGENT is concerned about the safety of resident (s) and applicants, and such concern extends to residents and applicants who are survivors of domestic violence, dating violence, sexual assault, or stalking – collectively referred to as VAWA crimes.

The owner/agent has developed a VAWA Emergency Transfer (VET) Plan that allows survivors of VAWA crimes or people associated with survivors of VAWA crimes to request a VET. Please refer to the property's VAWA Policy and VET Policy for more detailed information.

DEFINITIONS-

Please be aware of the following definitions:

Black Hills Works Tenant Selection Plan

Internal VAWA Emergency Transfer refers to an emergency relocation of a resident to another unit where the resident would not be categorized as a new applicant (usually referred to as a unit transfer); that is, the resident may reside in the new unit without having to undergo an application process. If a unit is available, the resident must be eligible for the unit based on the requirements set forth by the governing agency. The resident should discuss unit transfer eligibility requirements with the owner/agent and/or property staff to fully understand the requirements.

When a resident qualifies for an internal VAWA Emergency Transfer, and when no unit is immediately available (vacant and ready for occupancy), the owner/agent will add the resident to the property's waiting list with a preference. The resident may remain on the property waiting list even if the resident decides to pursue an External VAWA Emergency Transfer

External VAWA Emergency Transfer refers to an emergency relocation of a resident to another unit where the resident would be categorized as a new applicant; that is the resident must undergo apply and be eligible in order to reside in the new unit. The applicant may be required to meet the eligibility requirements and/or screening requirement set forth by the agencies that govern the housing program and by the property's owner/agent.

Safe unit refers to a unit that the survivor of domestic violence, dating violence, sexual assault, or stalking believes is safe.

VAWA EMERGENCY TRANSFER (VET)

In accordance with the Violence Against Women Act (VAWA), **THE OWNER/AGENT** allows residents who are survivors of VAWA crimes or people who are affiliated with survivors of VAWA crimes to request a VAWA Emergency Transfer from the resident's current unit to another unit that is part of this property (internal transfer).

Residents' who request and qualify for a VAWA Emergency Transfer will receive equal preference to any other resident who requests and qualifies for any other emergency unit transfer. Selection will be based on date and time the completed request and all required documents are received.

Residents may request a VAWA Emergency Transfer from the resident's current unit to another unit that is part of another property (external transfer). Residents may also request assistance if they wish to request a VAWA Emergency Transfer to a unit that is part of this property (external transfer).

Regardless of whether the resident/applicant is applying for an internal VAWA Emergency Transfer or an external VAWA Emergency Transfer, residents/applicants requesting a VET must qualify for the new unit based on the requirements set forth by the governing agency.

When requesting an external VAWA Emergency Transfer, the resident/applicant should understand that they may also be subject to other screening requirements set forth by the owner/agent responsible for the other property.

The resident or applicant is responsible for paying for any expenses associated with the move.

The U.S. Department of Justice (DOJ) administers programs that provide funding for survivors covered by VAWA, and the Victims Crime Fund could be used to pay for relocation expenses of these survivors, or to provide other sources of support, which could free up funding to pay for moving costs. Information about the Crime Victims Fund is available at: <https://www.ovc.gov/about/victimsfund.html>. Information about Office of Violence Against Women grants is available at www.justice.gov/ovw/grant-programs.

ELIGIBILITY FOR VAWA EMERGENCY TRANSFERS

A resident/applicant is eligible for a VAWA Emergency Transfer (VET) when:

Black Hills Works Tenant Selection Plan

1. The person making the request is a survivor of a VAWA crime or are a person affiliated with a survivor of a VAWA crime
2. There is a request for a VAWA Emergency Transfer; and
3. The resident reasonably believes that there is a threat of imminent harm if the resident remains within the same unit; or
If the resident is a survivor of sexual assault, the resident may be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar day period preceding a request for a VAWA Emergency Transfer.

This is true even if the resident is not a resident in good standing.

A resident/applicant requesting a VAWA Emergency Transfer (VET) must expressly request the transfer in accordance with the procedures described in the property VET Policy.

SAFETY AND SECURITY OF APPLICANTS AND RESIDENTS

Victims of VAWA crimes and/or any person affiliated with a survivor of a VAWA crime are urged to take all reasonable precautions to be safe.
